For there is  
always light,

to see it,  
if only we're  
brave enough  
to be it.

And... [We Are America Project](#) Check this out LHS former and current students share their stories of their diverse AMERICA. The next book in the series is out this week.

### **We Are America Lowell 2020 is Hot Off the Press!**

Twenty-three students in the LHS semester I Seminar in American Diversity class just wrote their book: [We Are America Lowell 2020](#).

Their book joins a growing collection supported by the National [We Are America Project](#), created by LHS Alumni!

Copies of the new book are \$10. Jessica Lander has agreed to drive copies to the school and leave them with your name on them at the front desk.

Proceeds of the book will go to funding the book the Seminar is writing this spring. You can venmo Jessica at: @Jesslander
