McAvinnue's Community Newsletter: Week Of October 18th

## MCAVINNUE'S PRINCIPAL'S MESSAGE

Hello McAvinnue Community!

I hope that everyone is enjoying this fine weekend....and the warmer weather that we all experienced this past week! It was so great to have a solid week of time for our students to get outside and enjoy some fresh air. As long as the weather continues to be decent, we will do our best to have your child spend some time outside at least one time per day. Even though we had some amazing weather this past week, please keep in mind that this is New England and things can change quickly from one day to the next. It is important to watch the weather each day to ensure that your child has appropriate clothing on that matches the predicted weather. Layers still seems like the best option moving forward.

As we move through the month of October, there are several items that you need to be aware of. Please mark your calendars for the following events and activities at McAvinnue:

- **Monday, October 18th: McAvinnue's Before & After School Program Begins**

Please join us for McAvinnue's "Trunk Or Treat" Celebration! Due to COVID-19, we needed to make some adjustments to ensure that we are keeping everyone as safe as possible. So, we came up with a fun and new way to welcome in Fall and the spooky season!

## McAvinnue's Yoga Pose Of The Week: "King Dancer"

We will try a new pose this week called the "King Dancer"! This new pose will allow us to improve our balance, increase our focus, and maintain poise through practicing this really cool series of controlled movements. We will practice the "King Dancer" pose daily during our "Virtual" Morning Announcements during this up and coming week on Monday, Wednesday, and Friday.

You can get an early head start and practice this technique before we launch into another exciting week!

**King Dancer**  
Balance. Focus. Poise.

1. Begin in Mountain and find a focus point.
2. Shift your weight to your left foot and raise your left arm in front of you for balance.
3. Bend your right knee to lift your foot up behind you. Reach back with your right hand to grab the outside edge of your foot.
4. Keep your hips facing forward, chest open. Breathe and balance here for several breaths or for as long as you can stay balanced on one foot.
5. Slowly return to Mountain before switching sides.

**here's an idea!**

- **King Dancer Challenge.** Come into Dancer as described. Press your foot into your hand as you bend forward at the hips. Turn your left hand palm-side up and bring your arm into a gentle curve. Hold the pose for several breaths before switching sides.
- **Hop and Balance.** While in King Dancer, try hopping in place while turning in a circle. Switch legs and try hopping and turning the other way. Is one side or direction easier than the other?
- **Double Dancer.** Face a friend. Connect same side hands above. Both partners reach back for his outside foot. Look into each other's eyes. (Try not to giggle!) Support one another to balance and focus. Hold for several breaths or count together by 1's, 2's, 5's, etc.

Stand Strong

### Updated COVID-19 Protocols

Here is a bulleted list of basic COVID 19 protocol information to help you make some decisions for this school year. Please remember the Lowell Public School District has no remote option for this school year.

- All student and staff members entering our building are required to wear masks indoors. We will provide mask breaks throughout the day. Strict mask protocols seem to minimize the spread of COVID. If a student is unable to wear a mask due to a documented disability please reach out to Mr. Domina at [mdomina@lowell.k12.ma.us](mailto:mdomina@lowell.k12.ma.us). Please try to find a mask that fits your child properly. We have some at schools for emergencies, but families should provide the masks.
- Students are required to wear masks on buses.

- We will try to reach 3 feet in social distancing in each classroom, but this is unlikely. If a class size reaches above 21 students, we will be within 3 feet of each other. Social distancing is not required in schools at this point.
- We will be eating in the cafeteria for lunch each day for most of our students. Students will be within 3 feet of each other in this environment and only have their masks off while they are consuming food and beverage.
- We will sanitize hands throughout the day. Students entering or leaving a class or the building are required to use hand sanitizer.
- In-school pool testing will continue for this school year. It is not required, but families can sign their children up using this link. <https://www.lowell.k12.ma.us/pooltesting>
- Please see the video to show how the testing works.
