**STOKLOSA SCHOOL VALUES**

**1. Relationships:**

*Establish and maintain relationships based on respect and trust. Student to Teacher an Staff to Staff relationships will create a positive school culture and increase learning.*

**2. Powerful Learning Environment:**

*Create, establish and facilitate effective learning throughout the entire school. Having high expectations for all students and support them to reach their full potential in all aspects of achievement – especially academics.*

**3. Teacher Empowerment:**

*Allow teachers to make informed decisions. The power of a school comes from the effectiveness of a teacher.*
