

5th & 6th Grade Class Options

October 8-December 12

Tuesday & Thursday

Please number the classes in the order in which you would prefer attending...number 1 would be the class you would most want, number 6 being the class you would least want.

Option 1- *Cooking Class* _____

In this class you will be cooking different types of food from all around the world! You will learn about the culture involved in each meal you prepare, and at the end of the session you will have your own cookbook filled with all the recipes!

*Option 2- *Futsal Soccer Club* _____

Join Mr. Allen's soccer club to learn basic fundamentals about the beautiful game of soccer. Each week you will be put through rigorous drills that will teach you both the basic rules and regulations of soccer AND specific skills that will help you master this lovely game!
Sign up quick!!!

Option 3- *Kitchen Chemistry* _____

Join this program to discover all the different experiments that you can try with things from your house! You will have many fun science experiments to choose from and you will also get to make many interesting creations! EXPLORE YOUR CURIOSITY!!

Option 4- *World of Sports* _____

Join World of Sports to engage in different games from all over the world. Each day you will play a different game that will help you learn about teamwork and cooperation. This program is always a lot of fun and there are many new games that will be played this session!

Option 5- *Karate Class* _____

Join Master Mike from Green Dragon to learn the fundamentals of karate along with healthy eating choices to better prepare your body to be in peak physical form. Each day you will learn a new skill and taste a new type of smoothie to replenish your body! There will be a number of days where you will travel to Green Dragon cafe and local gardens to see what healthy living looks like!

Option 6- *Falcon Newspaper Club (Meets everyday)* _____

How would you like to be a journalist for the Stoklosa's very first newspaper? You will be writing reports on the sports teams, after school clubs, teachers, weather, or any other topic that will fit in our newspaper! This newspaper will be published each week for all students and staff to read!

Option 7- *Girls Who Code (Thursdays only)* _____

Work with your peers to learn the basics of computer coding. Each day you will learn a new skill that you can apply to a variety of projects within the program.

7th & 8th Grade Class Options
October 7-December 12
