

# 21ST CENTURY AFTERSCHOOL

March 1 - May 6  
2:30 - 4:15 pm  
\*Materials will be provided.

Click to [REGISTER](#) or for more [INFORMATION](#).

## MONDAYS & WEDNESDAYS

### Robotics / STEM Class

Mrs. Cox

Students will work with Mrs. Cox on a number of STEM related projects and challenges. Each student will receive a SPHERO of their own. Sphero makes remarkably cool, programmable robots and STEM-based educational tools that transform the way kids learn, create and invent through coding, science, music, and the arts.

### Kitchen Chemistry Class

Ms. Kanellas

Students will be provided material to conduct their very own experiments and projects at home! Students have made things such as catapults, playdough, lava lamps, and many other interesting items!

### Guitar Class

Mr. Warnick

Students who join Guitar Class will receive their very own guitar that they will learn the fundamentals of how to play this great instrument! Once you have mastered the basics you will be able to learn songs of your choice. Sign up quick, there are only limited spots available!

### Sports Skills & Drills Class

Mr. Duggan & Mr. Roper

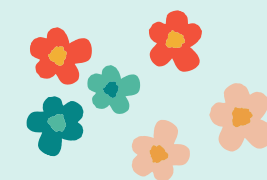

Mr. Duggan and Mr. Roper will help the class each week with a variety of work out routines and drills! This will help athletes of all skill levels stay active through the winter months and prepare them for the spring sports season!

### Gardening Club

Ms. Flabouris & Ms. Cote

Ms. Flabouris and Ms. Cote will continue to help inform students about the importance of healthy living and the science behind different plants and the things they need in order to grow!

## TUESDAYS & THURSDAYS

### Sports Reporting Class

Mr. Caravoulias

Students will have the opportunity to become a real-life sports reporter! Each week, students will pick a game of their choice to watch, analyze, and report on using a variety of platforms. You can choose to write an article, create a video report, or even start your own sports talk show or podcast.

### Arts & Crafts Class

Mrs. Rowsell

Students will join me on Zoom for the daily craft presentation and directions. I will provide a list of materials and give a step-by-step tutorial of the process for kids to follow. We will check in at the end of the program to share our crafts with the group. Students will pick up labeled, weekly bags of craft supplies/materials on Friday at the school.

### Guitar Class

Mr. Warnick

Students who join Guitar Class will receive their very own guitar that they will learn the fundamentals of how to play this great instrument! Once you have mastered the basics you will be able to learn songs of your choice. Sign up quick, there are only limited spots available!

### Sports Skills & Drills Class

Mr. Duggan & Mr. Roper

Mr. Duggan and Mr. Roper will help the class each week with a variety of work out routines and drills! This will help athletes of all skill levels stay active through the winter months and prepare them for the spring sports season!
