

Hello there EVERYONE!

Mrs. Jewer and I hope that you are safe and doing well during this unprecedented time in our world. In order to continue to guide you as you grow and bloom we have created a page of resources for you and your families to access until we return to school.

Although this time out of school is unstructured in the classroom sense, the expectation is that students engage in meaningful and productive learning for 3 to 3.5 hours (approximately half the length of a regular school day). To help achieve this goal, please keep working on **IXL, BrainPop, Zearn, Freckle and of course EPIC!** to maintain the growth you have made so far this year. From time to time Mrs. Jewer and I will add activities and information in Google Classroom or send a message home using ClassDojo, email or a phone call. Please be sure to check Google Classroom DAILY for updates!

In addition, here is the link to ["At Home Learning"](#) that is on the Lowell Public Schools Site. This page contains work for each of the grades identified by a grade level link. Also remember ["Grab and Go lunch"](#) to provide lunch for students during the weekdays while school is closed. These are available at the Stoklosa from 11:00-11:30 Monday through Friday. Be sure to check Google Classroom for updates everyday! Also, please remember how proud we are of EACH and EVERYONE of you and miss seeing you!

Again, if you need anything please do not hesitate to reach out and contact Mrs. Jewer, Mrs. Pollard or any staff member at [Stoklosa](#). Continue to stay safe, help take care of your families, and remember we are all in this together!

Communication: Even though we will have "office hours", where we will be immediately available for questions, we will also be checking email, DoJo, and Google Classroom throughout various periods over the day. =>

Your Job:

- Check the suggested schedules on the next page for Math, Science, Social Studies, and ELA
- Daily:
 - Complete daily Math, Science, and ELA assignments (based off suggestions below, or packets provided during lunch pickups/online LPS site)
- weekly
 - we will **each** post a Google Form onto Google Classroom. Please complete it by Friday of each week, so we can track what you worked on and know where we need to locate assignments to provide feedback.
