MCAVINNUE'S COMMUNITY NEWSLETTER: WEEK OF SEPTEMBER 23RD

MCAVINNUE'S PRINCIPAL'S MESSAGE

Hello McAvinnue Community!

We are in the full swing with this new school year! All of our systems, are up and running at McAvinnue! We are pushing out new and exciting content for our students and our teachers are hard at work with lesson planning and assessing the needs of our students. We have any things that will be coming quickly over the next few weeks. Please be on the lookout for information in the weekly "Lion's Roar" Community Newsletter, on all of our social media platforms, on our school website, and through Class Dojo with your child's teacher.

We just completed our first round of iReady diagnostic assessments this past week! The iReady assessments give us an idea of where our students are in terms of the current curriculum. There is no "grade" that is provided for this assessment. Over the next few weeks, we will review the results to ensure that our students are on track in both Reading and Math to start this new school year. We will use the results to help us plan for tackling the curriculum moving forward and providing the supports that students need to be successful. If you have any questions about the assessment, please reach out to your child's teacher or you can send me a quick message at mdomina@lowell.k12.ma.us.

On another note, we have rescheduled McAvinnue's "Back To School Bash" to Wednesday, September 25th due to the predicted weather. Of course, the weather turned out to be OK...however,

that is the way it goes with New England weather this time of the year. We are set and ready to go with the new date...and we hope to see everyone on Wednesday evening. For more information, please see the section below.

Finally, the first day of Fall will occur on Sunday, September 22nd. With the weather changing, the mornings have been much cooler with the afternoons warming up on most days. It is important to have your child dress in layers each day moving forward until the Winter. Light jackets and sweatshirts are great options. Depending on the weather forecast for the day, shorts are still appropriate if the afternoon temperature reaches in the 60's or 70's. You may need to make some adjustments for your child if the weather remains in the 50's.

As always, we are looking forward to another successful week at the "best school that we all know"!

If you have any questions, please don't hesitate to reach directly and we hope to see everyone at McAvinnue's annual "Back To School Bash" on Wednesday, September 25th @ 5:00 PM.

Here are a few items that you need to be aware of. Please mark your calendars for the following events and activities at McAvinnue for the next few weeks:

- **Sunday, September 22nd - First Day Of Fall**
- **Wednesday, September 25th - McAvinnue's "Back To School Bash" @ 5:00 PM - 6:15 PM**
- **Friday, September 27th - McAvinnue's "Lions Pride" All School Core Value Celebration: September Edition @ 9:30 AM - 10:15 AM**

If you have any questions, please don't hesitate to contact the Main Office at McAvinnue or send Mr. Domina a message a mdomina@lowell.k12.ma.us.

McAvinnue's Week In Review

Soccer Fun In PE Class!

Our Grade 2-4 students are enjoying the great weather we're having and having a blast with the soccer unit lead by Ms. Rindo during Physical Education class!

Grade 2 students in Room 101 enjoyed a recent Mystery Science lesson that focused on why do we wear clothes. The students made hats to

Light & Shadow Experiments!

Grade 1 students in Room 204 enjoyed learning about light and shadows during Science last week! They had a chance to experiment with flashlights

while making shadows with their hands.

Can You Save Fred?

Grade 4 students in Rooms 310 and 307 participated in a team building activity where they had to save "Fred". Teams worked to right his boat, get his life preserver around his waist, and get him safely back into the boat without touching the water (blue paper)!! Sounds easy, right?? The challenge was for that the students' hands could not touch the boat, life preserver, or Fred! All of the work had to be done using only 4 paper clips!

Cafeteria Learning!

Learning can occur at any time and any where at McAvinnue! Check out this helpful "reminder" anchor chart that focuses on stopping and grabbing what you need before sitting down with your lunch. Super helpful tool for our students!

Who Wants To Track ST Math Progress?

We LOVE this ST Math progress tracker for Grade 2! We can't wait to see student progress as they move along the ST Math grade level journey over the course of this new school year!

Middle school students (grades 5-8) must live greater than 1.5 miles from their residence or alternate address to their assigned school.

Kindergarten through 4th grade students will receive a printed bus pass via postal mail. These passes were mailed out on August 23rd. You can also look up your student's bus pass information by using their Student ID for the username and date of birth for the password at the link below. This is the same information that students use to log in to their Chromebooks for school.

Please note that Kindergarten and 1st grader students **must** have an older sibling (4th grade or older) or parent present at the bus stop in the afternoon in order to depart from the school bus. If a parent or older sibling is not present, the student will be brought to the Moody School, located at 158 Rogers Street. A driver's license or valid identification must be presented to the staff in order to dismiss the student.

You can use the LPSD "Bus Lookup Tool" using the link below. You will need to use you child's LASID or lunch number along with their birthdate to access this helpful system.

There also is a helpful video that you can watch that will walk you through the process.

ST Math Weekly Progress!

ST Math is back for our 2024-2025 school year and our launch has been exciting! Our students are completing puzzles and moving along their journey consistently each day...which is amazing!

We had another full week of puzzle play and we can feel the excitement building in the school with our students already reporting their percentage progress and total puzzles they have completed thus far. With this level of early commitment, we will continue to do tremendous things at the "best school we all know!"

It has been a thrilling two weeks in launching ST Math for another fantastic year! Our students have puzzled their way through over 65,000 ST Math puzzles, building deep conceptual understanding in Math while having fun.

Shoutout Time! Let's celebrate HR 108, for achieving outstanding velocity in ST Math. Students are solving about 2 puzzles for every 3 minutes of play; ST Math's velocity sweet spot!

We need one additional parent to join this important group. The commitment is one, one-hour, meeting each month usually on Zoom. As we hit budget season in February-April, there will be other meetings added.

If you would like to be a part of the team, please fill out the form below. If you have questions, please reach out to Mr. Domina at mdomna@lowell.k12.ma.us.

McAvinnue's Morning Announcements Are Back!

McAvinnue's "Morning Announcements" are back once again for the 2024-2025 academic school year! We are excited to bring these back starting on Monday, September 16th!

Like we had successfully done during previous school years, a new edition of McAvinnue's "Virtual" Morning Announcements will be presented to our students on Monday, Wednesday, and Friday each week. We will continue to use Tuesday and Thursday each week to be used for "Open Circle"....our Social Emotional Learning (SEL) program that focuses on community building, prosocial decision making, and appropriate responses to daily stressors both within the school and home settings.

This will continue to be a great way to bring our school together each day focusing on the same message to get the energy, commitment, and engage up before we launch into another great day at "the best school we all know".

McAvinnue's Morning Announcements will occur on Monday, Wednesday, and Friday each week.

You can check out current and past editions of McAvinnue's Morning Announcements on our YouTube channel using the link below.

McAvinnue's School Attendance Information

As you are aware, attending school is first step each in the learning process for our students. It is critical that our students arrive to school on time each day so that they can access all of the

engaging and meaning lessons that have been planned by our teachers and related service providers.

The McAvinnue Attendance Team will monitor student attendance on a weekly basis and will reach out directly to families when they notice frequent absences, a pattern of absences, or an increased number of consecutive absences within a short period of time.

Please refer to McAvinnue's Student Attendance Booklet below that will provide additional information. This booklet will be sent home with students in multiple languages. It is important that you review this information for your own awareness and to be fully prepared to support your child with the first step of the learning process...attending school on time.
