McAvinnue's Community Newsletter: Week Of November 14th

McAvinnue's Principal's Message

Hello McAvinnue Community!

I hope that everyone is enjoying the long weekend. We had a mixed bag of weather this past week with more traditional temperatures on some days...and really pleasant and mild days.

Again...please have your child dress in layers when coming to school each day moving forward. It is much easier to take off or add a layer depending on the changing weather conditions. We will still be taking students outside for recess for as long as we can...and they need to be dressed appropriately to fully participate in the most comfortable manner possible.

We just completed another busy and successful week at McAvinnue! Two of our Grade 3 classrooms had a chance to travel to the USS Constitution Museum in Boston. They had a great time learning about the Navy, boating, and had a chance to board the USS Constitution, also known as Old Ironsides, is a three-masted wooden-hulled heavy frigate of the United States Navy. She is the world's oldest ship still afloat. She was launched in 1797, one of six original frigates authorized for construction by the Naval Act of 1794 and the third constructed. This was such a great field trip. Check out the pictures below!

Moving on...we only have 7 1/2 school days until the Thanksgiving Break. It is important that we maximize these days by arriving to school on time and ready to learn. Also, we should try to keep early dismissal as an emergency option only. We have a limited number of school days remaining in 2022 due to the Thanksgiving holiday and the up and coming Holiday Break near the end of December. If we all work together, we can ensure that we take full advantage of the time we have at McAvinnue to ensure that your child is receiving the full and comprehensive learning experience that we offer.

Additionally, we have Parent / Teacher Conferences right around the corner on Thursday, December 8th. Please mark your calendars and your child's teacher will reach out to you with additional information including sign-up options next week. Stay tuned...and be ready to sign up for a time that works best for you.

Finally, Dr. Boyd, Lowell Public Schools Superintendent, will be visiting McAvinnue on Monday, November 14th at 8:15 AM - 9:15 AM. Come and chat informally about many of the great

things that are happening at our school and across the district on Monday, November 14th from 8:15 AM - 9:15 AM in the library. No reservation is needed. We will serve light breakfast refreshments. We hope to have the time to swing by for even a few minutes!

ST MATH WEEKLY UPDATE

This weeks ST Math update is as follows below. Check out the total Number of Puzzles completed by McAvinnue students. It was mid-December when students reached this number of puzzles in the 2021-2022 school year. Also, we have included the average number of puzzles completed last week.

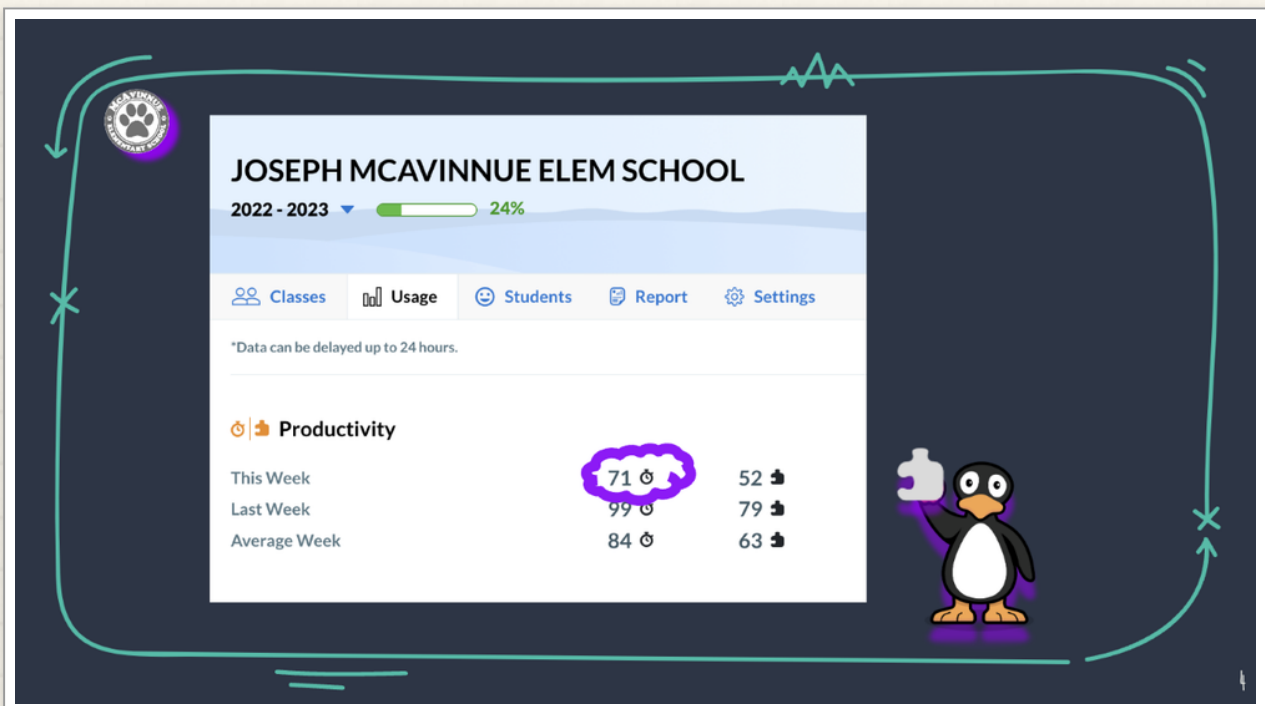

ST Math ran a Fall Challenge. When McAvinnue averaged 60 minutes or more for the week, we screenshot the dashboard, shared it on **Twitter**, and tagged **@STMath**. Last week was our final week. ST Math will announce three winners on November 16th! Fingers crossed.

Check out the progress that was shared on Morning Announcements on Friday for McAvinnue's ST Math "Turkey Trot" Challenge. We will share out another update on Monday!

Please don't hesitate to reach out with questions or to nominate a student for special recognition.

Last week, two staff members reached out about student success stories. Who's emailing some good news this week?

INSTRUCTION RELATED TO THANKSGIVING

Here is some information and resources from DESE about instruction related to Thanksgiving. If you have any questions, please contact me or Elaine Santelmann directly.

Resources for teaching Thanksgiving

As Thanksgiving approaches, we know that this holiday can often be taught in a way that is inaccurate, oversimplified, and perpetuates stereotypes about Native Peoples. As educators select resources to teach students about Thanksgiving in a way that is thoughtful, honest, and culturally responsive, Dr. Debbie Reese, member of Nambé Pueblo and founder of the organization [American Indians in Children's Literature](#), suggests that they ask critical questions of the materials they use about Thanksgiving, such as:

- *Are they tribally specific?*
- *Do they suggest a peaceful co-existence or "sharing" of land and resources?*
- *Do they depict Native peoples as simplistic, uncivilized, or primitive?*
- *Do they suggest Native peoples are not part of the present day?*

The Center for Racial Justice in Education has also compiled a list of more inclusive resources, lesson plans, and teaching approaches about Thanksgiving, [available here](#); Teaching Tolerance also has a list of resources for "[Teaching Thanksgiving in a Socially Responsible Way.](#)"

Like we had successfully done last school year, a new edition of McAvinnue's "Virtual" Morning Announcements will be presented to our students on Monday, Wednesday, and Friday each week.

We will continue to use Tuesday and Thursday each week to be used for "Open Circle"....our Social Emotional Learning (SEL) program that focuses on community building, prosocial decision making, and appropriate responses to daily stressors both within the school and home settings.

This will continue to be a great way to bring our school together each day focusing on the same message to get the energy, commitment, and engage up before we launch into another great day at "the best school we all know".

You can check out each edition of McAvinnue's Morning Announcements on our YouTube channel using the link below.

We will practice the "Half Sun Salute" pose daily during our "Virtual" Morning Announcements during this up and coming week on Monday, Wednesday, and Friday.

You can get an early head start and practice this technique before we launch into another exciting week!

Middle school students (grades 5-8) must live greater than 1.5 miles from their residence or alternate address to their assigned school.

Kindergarten through 4th grade students will receive a printed bus pass via postal mail. These passes were mailed out on August 24th. You can also look up your student's bus pass information by using their Student ID for the username and date of birth for the password at the link below. This is the same information that students use to log in to their Chromebooks for school.

Please note that Kindergarten and 1st grader students **must** have an older sibling (4th grade or older) or parent present at the bus stop in the afternoon in order to depart from the school bus. If a parent or older sibling is not present, the student will be brought to the Moody School, located at 158 Rogers Street. A driver's license or valid identification must be presented to the staff in order to dismiss the student.

You can use the LPSD "Bus Lookup Tool" using the link below. You will need to use you child's LASID or lunch number along with their birthdate to access this helpful system.

There also is a helpful video that you can watch that will walk you through the process.

[Click Here For The LPSD "Bus Lookup Tool"](#)

You will need to have your child's LASID or lunch number to access the most up to date bus information for your child. Please keep in mind that this number is also used to log into your child's borrowed device.

Free COVID-19 Testing Kits

The Department of Education will provide free COVID-19 testing kits for all families and faculty.

The testing kits will be passed along to your child to bring home before the Thanksgiving Break in November and before the Holiday Break in December. Consent is not required.

We will let you know the date your child will be bringing these home so you can be on the lookout for the COVID-19 testing kits.

Holiday Help At McAvinnue

Dear Parent or Guardian, as the holidays approach, many of us are already thinking about the financial stretch it would mean to our pockets. Please reach out to us if we can help you these holidays with toys or basic needs like food or clothes if you haven't already signed up with other community agencies. We are limited in the things we can offer since we don't gift expensive electronics, but we will do our best to get things your child likes or needs.

Please also reach out if you need some assistance with Thanksgiving since we sometimes get Thanksgiving baskets donated by local groups.

You can contact the school directly or reach out to our Social Worker Team, Mrs. De La Luz, Mrs. Teague-Power, and Ms. Rigon for assistance and guidance.
