Weekly Community Newsletter: Week Of January 13th

MCAVINNUE'S PRINCIPAL'S MESSAGE

Hello McAvinnue Community!

I hope that everyone had a great weekend! It was another great week at McAvinnue and our students continue to work hard taking academic risks and working through some challenging activities.

We had our first significant snowfall of this school year over the weekend! It seemed that we all got more snow than what was predicted during the week. With that being said...Please keep in mind to watch the weather forecast each evening to receive the most up to date information for the following day. Winter storms can come on quickly...and it is important to have a heads up any school delays or cancellations. You can find out this information on any of the major television networks (Channels 4, 5, 7, 25). Also, you can expect a phone call from the Lowell Public School District between 5:00 AM - 6:00 AM. Finally, you can also find out the status of school when there is inclement weather on McAvinnue's social media sites (Facebook, Instagram, and Twitter) and on Class Dojo.

As you know, we have a day off from school on Monday, January 15th due to the observance of Dr. Martin Luther King Jr. Day. While the long weekend is greatly appreciated, we have to remember the importance of the commitment, work, and impact that Dr. Martin Luther King Jr. had on civil rights for everyone. The world is a far better place with all of us following through with his vision and legacy of equality. Please take a moment this weekend to ensure that you are doing your part with all of this.

We are looking forward to another successful week at the "best school that we all know"!

If you have any questions, please don't hesitate to reach directly.

Here are a few items that you need to be aware of. Please mark your calendars for the following events and activities at McAvinnue for the next few weeks:

McAvinnue's Week In Review

McAvinnue's "Core Value Booster Day"

We spent the day on Monday, January 6th focusing on our core values: Respect, Responsibility, and Safety! Students spent the entire school day travelling throughout each grade level classroom engaging in fun and meaningful lessons and activities focusing on our core values! They even enjoyed a special bag lunch in their homeroom for lunch!

The day ended with a very special showcase provided by Prismatic Magic! This group use the technology of lasers paired with music to create a performance that focused on kindness. It was so cool...and everyone had an amazing time!

McAvinnue's new "Artist of the Week"

McAvinnue's new "Artist of the Week" is Alianna in Room 302! She did a great job creating the illusion of form with different values of red and green - making her candies look 3D! Awesome work!

McAvinnue's "Electronic Arts" STEM Challenge Day

On Wednesday, January 8th, McAvinnue students had a chance to participate in another all school STEM Challenge called "Electronic Arts"! Student experimented and collaborated with their peers building on the knowledge they obtained during our last Circuit STEM Challenge Day back in December.

Three different STEM Challenges were presented to our students: The Squishy Circuit Challenge; The Paper Circuit Challenge; The Flashlight Circuit Challenge. Each challenge extended the knowledge they had on circuits experimenting with new and unexpected conductor sources.

Our students had a blast exploring another hands-on and meaning learning experience!

Allergies? Asthma? Medications? - Please Let Nurse Danielle Know!

If your students have any medical concerns or diagnosis, please make sure Nurse Danielle is aware. Also, if they have any medical conditions, for example allergies or asthma, that require medications such as Epipens or inhalers here at school, please remember she needs updated paperwork and medication yearly.

Please reach out as soon as possible to get her the necessary paperwork and to arrange drop off of new medications. Nurse Danielle's email address is dralls@lowell.k12.ma.us and she can also be reached by calling (978) 937-2871 ex. 47858. Our fax number is (978) 937-2880.

Bus Transportation Information

School bus transportation is provided to students in grades K-4, who live greater than .75 mile from their residence or alternate address to their assigned school. Middle school students (grades 5-8) must live greater than 1.5 miles from their residence or alternate address to their assigned school.

Kindergarten through 4th grade students will receive a printed bus pass via postal mail. These passes were mailed out on August 23rd. You can also look up your student's bus pass information by using their Student ID for the username and date of birth for the password at the link below. This is the same information that students use to log in to their Chromebooks for school.

Please note that Kindergarten and 1st grader students **must** have an older sibling (4th grade or older) or parent present at the bus stop in the afternoon in order to depart from the school bus. If a parent or older sibling is not present, the student will be brought to the Moody School, located at 158 Rogers Street. A driver's license or valid identification must be presented to the staff in order to dismiss the student.

You can use the LPSD "Bus Lookup Tool" using the link below. You will need to use you child's LASID or lunch number along with their birthdate to access this helpful system.

There also is a helpful video that you can watch that will walk you through the process.

[Click Here For The LPSD "Bus Lookup Tool"](#)

You will need to have your child's LASID or lunch number to access the most up to date bus information for your child. Please keep in mind that this number is also used to log into your child's borrowed device.

ST Math Weekly Progress!

As temperatures drop this winter, our puzzle progress is heating up! With a strong school puzzle count over 416,000 and incredible dedication from our students and from you, we're ready to participate in ST Math's Winter Waddle as well as take on our own version of the Winter Waddle Challenge!

For the ST Math Challenge, beginning on Tuesday, we will communicate the percentage of students meeting their puzzle goals!

From January 21st through February 7th, we will play McAvinnue's Winter Waddle. Here's how to participate and earn snowballs for your class:

- *Communicate the number of students completing their puzzle goals. Optional add on: Is there something new you'll try to help increase the number of students meeting their puzzle goals?*
- *Engage in puzzle talks with evidence of "What's the Math?"*

Additional details are in progress. Let's work together to make this challenge fun, engaging, and filled with ST Math success.

Thank you for your continued support in helping our students achieve their math goals through creative and interactive learning. Let the Winter Waddle begin!

McAvinnue's School Site Council 2024-2025

McAvinnue's Site Council is a group of faculty, parents, and community stakeholders who come together to help drive the instructional focus of the McAvinnue Elementary School. We look at student data and make decisions about the school's Quality Improvement Plan and budget.

We need one additional parent to join this important group. The commitment is one, one-hour, meeting each month usually on Zoom. As we hit budget season in February-April, there will be other meetings added.

If you would like to be a part of the team, please fill out the form below. If you have questions, please reach out to Mr. Domina at mdomina@lowell.k12.ma.us.

McAvinnue's Morning Announcements Are Back!

McAvinnue's "Morning Announcements" are back once again for the 2024-2025 academic school year! We are excited to bring these back starting on Monday, September 16th!

Like we had successfully done during previous school years, a new edition of McAvinnue's "Virtual" Morning Announcements will be presented to our students on Monday, Wednesday, and Friday each week. We will continue to use Tuesday and Thursday each week to be used for "Open Circle"....our Social Emotional Learning (SEL) program that focuses on community building, prosocial decision making, and appropriate responses to daily stressors both within the school and home settings.

This will continue to be a great way to bring our school together each day focusing on the same message to get the energy, commitment, and engage up before we launch into another great day at "the best school we all know".

McAvinnue's School Attendance Information

As you are aware, attending school is first step each in the learning process for our students. It is critical that our students arrive to school on time each day so that they can access all of the engaging and meaning lessons that have been planned by our teachers and related service providers.

The McAvinue Attendance Team will monitor student attendance on a weekly basis and will reach out directly to families when they notice frequent absences, a pattern of absences, or an increased number of consecutive absences within a short period of time.

Please refer to McAvinue's Student Attendance Booklet below that will provide additional information. This booklet will be sent home with students in multiple languages. It is important that you review this information for your own awareness and to be fully prepared to support your child with the first step of the learning process...attending school on time.

The handbook is provided in three languages below.

1 Honor Punctuality

Every 7-10 minutes during a very short break to the classroom. Late arrivals interrupt instructional time and are disruptive to the class. Being on time allows respect for the classroom teacher.

It is important that all students develop and demonstrate a sense of responsibility with regard to their school schedule. This will help them throughout their life and in the workplace. Being on time is a skill that will be used to pursue your dreams and goals.

¿Qué es ser puntual? Ser puntual es llegar a tiempo a la escuela todos los días. Ser puntual es respetar el tiempo de los demás y el tiempo de la maestra. Ser puntual es una habilidad que te ayudará a tener éxito en la escuela y en el trabajo.

There's a goal! There's more.

2 Parent Partnership

We encourage you to become our partners in your child's education. We want you to be involved in your child's learning and to help us provide the best possible education for your child.

The McAvinue Way

- We follow Consistent Interventions
- We believe in a Parent Partnership
- We have 3 School-Based Incentives
- We ask students to Honor Punctuality

Chronic Absenteeism is missing 10% (18 days) of school days for any reason.

It can translate into students having difficulty learning to read by the third grade, as well as difficulty achieving in middle school, and graduating from high school.
