Weekly Community Newsletter: Week Of January 27th

MCAVINNUE'S PRINCIPAL'S MESSAGE

Hello McAvinnue Community!

I hope that you had a productive week and have some fun things planned on Sunday! There is some predicted weather heading our way on Wednesday. I'm sure it will produce much of an impact in our area...but, you can never tell with how things work out in New England. Moving forward, it is important to stay in tune with the local weather each day. Here are some ways that you can receive information whether school is cancelled or if there is a delayed opening.

1. Watching the local news (Channels 4, 5, 7, 25 starting at 5:00 AM)
2. Phone call from the Lowell Public Schools (Typically between 5:00 AM - 5:30 AM)
3. McAvinnue's Class Dojo School Feed (Posted between 5:00 AM - 5:30 AM)
4. McAvinnue's social media outlets: Facebook; Instagram; Twitter (Posted between 5:00 AM - 5:30 AM)

On another note, McAvinnue's current attendance rate is 95% (tied for 5th place best in Lowell) and our chronic absent rate is 12% (6th best in Lowell). While these numbers are very solid for McAvinnue, we can still improve. As you are well aware, it is critical for our students to attend school daily. It is 100% fine to have your child come to school before or after an appointment. They do not need to miss a full day of school if they have a 1-hour appointment. However, please keep your child home if they if they have a fever. If they are not feeling 100% and do not have a fever,

they can still attend school. Nurse Danielle is available to check in with the child throughout the school day if needed. Let's see if we can get in the top 5 for school attendance rate and chronic attendance rate!

We will be sending home Student Progress Reports on Wednesday, January 29th for students in Grades 1 - 4. This document will be in your child's purple communication folder. The goal of the Student Progress Report is to provide current and up to date progress in all content areas. While this is general information, it is helpful to see how well your child is doing and see the level of growth they have demonstrated since the last Report Card date in early December. After you review the Student Progress Report, please reach out to your child's teacher if you have any questions or concerns.

We are looking forward to another successful week at the "best school that we all know"!

If you have any questions, please don't hesitate to reach directly.

Here are a few items that you need to be aware of. Please mark your calendars for the following events and activities at McAvinnue for the next few weeks:

- **Monday, January 27th - McAvinnue Reopens @ 9:10 AM**
- **Wednesday, January 29th - Progress Report Distribution: Grades 1-4**

Cyber Bullying Parent Talk

HELPING KIDS STAY OUT OF HIGH-TECH TROUBLE

Mark your calendars...we will be hosting a parent educational talk focusing on Cyber Bullying on **Tuesday, February 4th from 5:00 PM - 6:30 PM.**

This workshop highlights the challenges and risks of the internet, social media and smartphone use. The goal is to support parents and staff remaining informed about popular apps and platforms that our students use.

Since this workshop is for parents, we will offer some child care options for your child during the workshop.

We will serve pizza for everyone and there is a chance to participate in some raffles offering great prizes. Both are FREE of charge...so, all you need to do is attend the workshop to be able to participate.

The homeroom that has the most parents/students that attend the workshop will earn a very special popcorn party provided by Mr. Domina and Mr. Shanahan!

Finally, we will provide a special opportunity for families to access the Scholastic Book Fair to purchase items that you may be interested in!

Check out the flyers for more all of the details! We hope to see everyone on Tuesday, February 4th at 5:00 PM in the cafeteria!

McAvinnue's Week In Review

"Grade 3 Visits The BMOS!"

What a fun, engaging, and impactful field trip for our Grade 3 students to the Boston Museum Of Science! While the trip was a quick one to Boston, our students had a chance to explore various science-based concepts, topics, and ideas. They even had a chance to experiment and explore with some hands-on learning opportunities!

"Mitten Art Fun!"

Our Grade 3 and 4 students created these really cool "stained glass" effect winter mittens during McAvinnue's After School Program! Check out the close up picture that shows the color effect that the students created using overlapping translucent paper.

"Elephant & Piggie: We Are In A Play!"

Our Kindergarten and Grade 1 students had a chance to attend the "Elephant & Piggie: We Are In A Play" performance hosted by the Merrimack Repertory Theatre in Lowell! Our students had so much fun and the play was outstanding!

"McAvinnue's STEM Night"

On Thursday evening, we had an incredible turnout for our STEAM Night! Students and families engaged in a variety of circuit challenges, and it was amazing to see students taking the lead and guiding their families through the activities. Parents enthusiastically joined in, making it a truly collaborative experience.

Students at McAvinnue have been working closely with the Acrea School in Winchester, MA, to bring these challenges to life throughout the school year. We're so grateful for this partnership and appreciate the treats and supplies they provided to support the event.

Our next STEAM challenge is coming up in March, and we can't wait!

Allergies? Asthma? Medications? - Please Let Nurse Danielle Know!

If your students have any medical concerns or diagnosis, please make sure Nurse Danielle is aware. Also, if they have any medical conditions, for example allergies or asthma, that require medications such as Epipens or inhalers here at school, please remember she needs updated paperwork and medication yearly.

Please reach out as soon as possible to get her the necessary paperwork and to arrange drop off of new medications. Nurse Danielle's email address is dralls@lowell.k12.ma.us and she can also be reached by calling (978) 937-2871 ex. 47858. Our fax number is (978) 937-2880.

Bus Transportation Information

School bus transportation is provided to students in grades K-4, who live greater than .75 mile from their residence or alternate address to their assigned school. Middle school students (grades 5-8) must live greater than 1.5 miles from their residence or alternate address to their assigned school.

Kindergarten through 4th grade students will receive a printed bus pass via postal mail. These passes were mailed out on August 23rd. You can also look up your student's bus pass information by using their Student ID for the username and date of birth for the password at the link below. This is the same information that students use to log in to their Chromebooks for school.

Please note that Kindergarten and 1st grader students **must** have an older sibling (4th grade or older) or parent present at the bus stop in the afternoon in order to depart from the school bus. If a parent or older sibling is not present, the student will be brought to the Moody School, located at 158 Rogers Street. A driver's license or valid identification must be presented to the staff in order to dismiss the student.

You can use the LPSD "Bus Lookup Tool" using the link below. You will need to use you child's LASID or lunch number along with their birthdate to access this helpful system.

There also is a helpful video that you can watch that will walk you through the process.

[Click Here For The LPSD "Bus Lookup Tool"](#)

You will need to have your child's LASID or lunch number to access the most up to date bus information for your child. Please keep in mind that this number is also used to log into your child's borrowed device.

McAvinnue's Yoga Pose Of The Week: "Eagle" Continued...

We continue with the pose we started last week called the "Eagle". This pose will allow us to work on maintaining a calm and clear focus using a technique that maximize balance integration and unique upper body positioning. We will practice the "Eagle" pose daily during our Morning Announcements during this up and coming week.

You can get an early head start and practice this technique before we launch into another exciting week!

Eagle

**Calm. Clarity. Focus.
Balance. Integration.**

Stand Strong

1. Begin in Mountain. Find a focus point, a small, unmoving object directly across your line of vision.
2. Extend both arms out straight in front of you and bend at the elbows. Cross the left elbow over right. Wrap the forearms so that your palms come together.
3. Shift your weight to your left foot and bend your knees slightly. Lift your right leg and wrap it up and over the left. You may choose to keep your right big toe on the floor for balance.
4. Breathe, continuing to gaze past your arms to your focus point for several breaths.
5. Come out of the pose by inhaling to stretch out your arms and legs wide like a soaring eagle. Exhale to come back to rest in Mountain. Switch sides.

here's an idea!

Cross & Connect.

- **Standing.** Begin in Standing Mountain. Cross your right foot over your left. Stretch your arms out in front of you and cross your right wrist over your left. Turn your palms to face each other and interlock your fingers. Bend your elbows out and bring your hands in towards your body until they rest at the center of your chest. Find a focus point with your eyes and rest your tongue on the roof of your mouth behind the teeth. Breathe evenly in this position for 60 seconds or more. Notice how you feel.
- **At Your Desk:** Being in Sitting Mountain. Stretch your legs out and cross one ankle over the other. Continue as described above.

McAvinnue's Morning Announcements

McAvinnue's "Morning Announcements" are back once again for the 2024-2025 academic school year! We are excited to bring these back starting on Monday, September 16th!

Like we had successfully done during previous school years, a new edition of McAvinnue's "Virtual" Morning Announcements will be presented to our students on Monday, Wednesday, and Friday each week. We will continue to use Tuesday and Thursday each week to be used for "Open Circle"....our Social Emotional Learning (SEL) program that focuses on community building, prosocial decision making, and appropriate responses to daily stressors both within the school and home settings.

This will continue to be a great way to bring our school together each day focusing on the same message to get the energy, commitment, and engage up before we launch into another great day at "the best school we all know".

McAvinnue's Morning Announcements will occur on Monday, Wednesday, and Friday each week.

You can check out current and past editions of McAvinnue's Morning Announcements on our YouTube channel using the link below.

McAvinnue's School Attendance Information

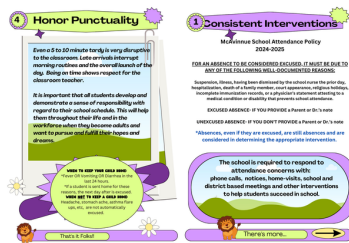

As you are aware, attending school is first step each in the learning process for our students. It is critical that our students arrive to school on time each day so that they can access all of the engaging and meaning lessons that have been planned by our teachers and related service providers.

The McAvinnue Attendance Team will monitor student attendance on a weekly basis and will reach out directly to families when they notice frequent absences, a pattern of absences, or an increased number of consecutive absences within a short period of time.

Please refer to McAvinnue's Student Attendance Booklet below that will provide additional information. This booklet will be sent home with students in multiple languages. It is important that you review this information for your own awareness and to be fully prepared to support your child with the first step of the learning process...attending school on time.

The handbook is provided in three languages below.
