MCAVINNUE'S PRINCIPAL'S MESSAGE

Hello McAvinnue Community!

What a week! Great weather...tons of new learning...first "Lion's Pride" Core Value All School Celebration...and a few amazing field trip! We all definitely needed to long weekend to recharge!

We had another successful week at McAvinnue! There is some excitement throughout the walls of McAvinnue with Halloween right around the corner! For those that are planning on participating in "Trick Or Treating" in Lowell on Friday, October 31st, the time for this event across the city will be 6:00 PM - 8:00 PM. There are also some fun activities across the Lowell leading up to this fun evening. Check out the section..."Community Connections section near the end of this edition of this newsletter.

Speaking of trick or treating and having some fun, please join us for McAvinnue's "Spooky Fun Fall Family Celebration" on Wednesday, October 29th from 5:00 PM - 6:30 PM at McAvinnue. We are switching it up this year and some costume and candy fun! Families will be able to do some spooky trick or treating in the school including some fun Halloween activities in the cafetorium. As always, this event is free of charge! All you need to do is come by with your costume on, bring a bag for treats, and we will do the rest! You will have a chance to walk throughout the school stopping at each classroom door for a special treat! We are super excited to bring this event back at McAvinnue since before COVID! We hope that everyone makes the time to come by!

We will send home the first progress report for your child this week on Friday, October 17th. As you know, the goal of this progress report is to briefly review how things are going for your students after the first few months of school. Please keep in mind that we will be hosting Parent /Teacher Conferences in December which will be an opportunity to formally review how your child is progressing in each content area.

Mark your calendars...we will not have school on Tuesday, November 4th due to the local and statewide "Election Day". On this day off from school, it is important for you to go out and cast your vote to be seen and heard. As I've mentioned previously, local elections can make the greatest impact in making change within the Lowell community. Be on the lookout for more information over the next few weeks for specific voting poll information, etc.

Finally, we will host McAvinnue's Picture Day on Monday, October 20th. You will be able to find all of the important details below. Please keep in mind that all students will have their picture taken regardless of whether you are planning to purchase a picture package. Indigenous Peoples Day: Monday, October 13th

Mark your calendars and make arrangements to be available for your child...There will be no school on Monday, October 13th due to Indigenous Peoples Day.

The first seed of Indigenous Peoples' Day was planted at a U.N. international conference on discrimination in 1977. The first state to recognize the day was South Dakota in 1989. Berkeley, California, and Santa Cruz followed suit.

Although the day was still considered Columbus Day up to 1937, many people began calling it Indigenous Peoples' Day to celebrate the rich culture and the lives of the Native American people.

For the Native Americans, Columbus Day was always hurtful as it glorified the violent past constituting 500 years of colonial torture and oppression by European explorers like Columbus and those who settled in America. Indigenous Peoples' Day draws attention to the pain, trauma, and broken promises that were erased by the celebration of Columbus Day. Before his arrival, the indigenous folk were successful self-sufficient communities that sustained life for thousands of years.

Year by year, the movement to change Columbus Day to Indigenous Peoples' Day spreads to more and more states, towns, and cities across the United States of America.

Indigenous Peoples' Day celebrates, recognizes, and honors the beautiful traditions and cultures of the Indigenous People, not just in America, but around the world. Their way of life and culture carries wisdom and valuable insights into how we can live life more sustainably.

Today, 14 U.S. states celebrate Indigenous Peoples' Day and not Columbus Day, as well as the District of Columbia. More than 130 cities including Arlington, Amherst, Cambridge, Brookline, Marblehead, Great Barrington, Northampton, Provincetown, Somerville, and Salem also celebrate Indigenous Peoples' Day.
