McAvinnue's Community Newsletter: Week Of November 3rd

MCAVINNUE'S PRINCIPAL'S MESSAGE

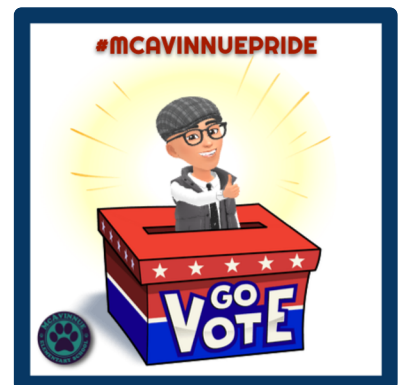

Hello McAvinnue Community!

I hope that everyone is having a great weekend and enjoying the fine Fall weather we are having after all of the rain and wind! In all honesty, this is my favorite time of the year. I love the cooler days and nights...and all of the changes that are occurring that making living in New England one of the very best places that anyone could select!

As everyone is aware, we will have a short week at McAvinnue with our school being closed on Tuesday, November 4th due to the state-wide Election Day. While we all enjoy a bonus day off, it is important not to forget why we have this day off.

It is important for you to go out and cast your vote to be seen and heard. Local and state-wide elections can make the greatest impact in making change within the Lowell community. There are many important seats and positions that are up for election or reelection. Stay informed and listen to what those that are running for these positions are saying around matters that are the most critical to you and your family.

For more information on where you can vote including the times the polls open and close, please click the link below.

We also have another day off from school on Tuesday, November 11th due to the observance of Veterans Day. While we will enjoy the long weekend, we must remember why it is important to have the day off to recognize those that put their lives on the line to protect the freedoms that we need and enjoy!

Here are some important facts that focus on Veterans Day for your review.

The military men and women who serve and protect the U.S. come from all walks of life; they are parents, children, grandparents, friends, neighbors and coworkers, and are an important part of their communities. Here are some facts about the veteran population of the United States:

- 18.2 million [living veterans](#) served during at least one war as of 2018.
- 9 percent of veterans are women.
- 7 million veterans served during the [Vietnam War](#).
- 3 million veterans have served in support of the War on Terrorism.
- Of the 16 million Americans who served during World War II, about 325,000 were [still alive](#) as of 2020.
- 2 million veterans served during the [Korean War](#).
- As of 2019, the [top three states](#) with the highest percentage of Veterans were Virginia, Wyoming, and Alaska.
