McAvinnue's Community Newsletter: Week Of
December 1st

MCAVINNUE'S PRINCIPAL'S MESSAGE

Hello McAvinnue Community!

I hope that everyone had a great Thanksgiving with family and friends! As you may already know, this is always one of my favorite times of the year. There are so many great opportunities to get together and enjoy some time gathering to make some lasting memories. The Domina household increased our food consumption with THREE deep fried turkeys with all of the usual sides and fixings! We had over 25 people eat approximately 50 total pounds of turkey on Thursday...and there was nothing left! It must have been good...ha!

I'm not sure if anyone went out on "Black Friday" to take advantage of any deals out there at the stores. My neighbor went out on Friday for some in-person shopping at the Merrimack Outlets in New Hampshire. They mentioned that there was great deals and it wasn't as crowded as the last few years. Things have changed so much with online shopping and the convenience of Amazon and other virtual retail stores, heading to the actual store seems less important. Remember is that many of the great deals with continue throughout the holiday season...so, there isn't a need to rush in my opinion.

On a McAvinnue note, we had 2 really great Thanksgiving focused activities on the super short Wednesday last week. Grade 4 students recreated the Macy Days Parade using balloons and

robots " and Grade 1 had their annual "Turkey Toss Challenge". Check out the pictures below! It was so much fun!

We will be launching into a new month during this up and coming week. December only has 15 actual school days for the month before we are off the super extended holiday break (2 full weeks...and 3 weekends)! There are many things that will be occurring at McAvinnue during this month. It is important to stay as in tune with various events and activities even though we will all be extremely busy with our own personal lives as the holiday season approaches. As well as remaining engaged with what is occurring within McAvinnue, you still need to keep a consistent routine with your child during the month of December. Here is a short article that I shared last school year that provides 6 reminders that you can implement at home that may support the craziness the holiday season can bring.

<https://pulse.seattlechildrens.org/7-tips-to-manage-your-childs-routine-during-the-holiday-season/>

We are looking forward to another successful week at the "best school that we all know"!

If you have any questions, please don't hesitate to reach out directly.

Here are a few items that you need to be aware of. Please mark your calendars for the following events and activities at McAvinnue for this upcoming week:

ST Math Weekly Progress Update

Dear McAvinnue Students, Staff, and Families,

As we head into this season of gratitude, I want to take a moment to waddle in and share just how thankful and grateful I am for each of you.

This year, you've shown what true math perseverance looks like. You've puzzled with purpose, encouraged one another, celebrated progress, and demonstrated that learning happens one thoughtful step at a time.

Students: Thank you for your curiosity, your courage to try new strategies, and your determination to keep going even when a puzzle feels tricky. Every click, every connection, and every "aha!" moment matters.

Teachers & Staff: Thank you for modeling mathematical thinking, championing productive struggle, and creating joyful opportunities for students to build strong math brains. Your guidance helps every learner grow.

Families: Thank you for cheering from home, celebrating puzzle victories, and supporting your child's journey through ST Math. Your encouragement keeps students moving forward.

Together, you've helped McAvinnue reach incredible milestones this year:

- Over 330,000 puzzles solved so far
- School Puzzle Goal Progress at 35%
- Countless moments of excitement, persistence, and mathematical insight

I am grateful for every puzzler who logs in, every teacher who makes space for ST Math, and every adult who believes in the power of visual learning.

Thank you for making this a school community where growth is celebrated, effort is honored, and math is meaningful, joyful, and connected.

I can't wait to see how far you'll go next.

With endless gratitude and lots of happy flippers,
JiJi the Penguin
