Weekly Community Newsletter: Week Of December 2nd

MCAVINNUE'S PRINCIPAL'S MESSAGE

Hello McAvinnue Community!

I hope that everyone had a great Thanksgiving with family and friends! As you may already know, this is always one of my favorite times of the year. There are so many amazing opportunities to get together and enjoy some time gathering to make some lasting memories. The Domina household enjoyed our usual two deep fried turkeys with all of the usual sides and fixings! It must have been really good because there was nothing left when it was time to clean everything up. We had over 25 people eat approximately 40 total pounds of turkey on Thursday!

I'm not sure if anyone went out on "Black Friday" to take advantage of any deals out there at the stores. My son, Andrew, and his friends went to the Burlington Mall on Friday and they all communicated that it was 100% nuts there! Knowing this and understanding that things have changed so much with online shopping and the convenience of Amazon and other virtual retail stores, heading to the actual store seems less important. Remember is that many of the great deals will continue throughout the holiday season...so, there isn't a need to rush in my opinion.

On a McAvinnue note, we had 2 really great Thanksgiving focused activities on the super short Wednesday last week. Grades 3 and 4 recreated the Macy's Days Parade using balloons and robots " and Grade 1 had their annual "Turkey Toss Challenge". Check out the pictures below! It was so much fun!

We will be launching into a new month during this up and coming week. December only has 16 actual school days for the month before we are off for an extended holiday break. There are many things that will be occurring at McAvinnue during this month. It is important to stay as in tune with various events and activities even though we will all be extremely busy with our own personal lives as the holiday season approaches. As well as remaining engaged with what is occurring within McAvinnue, you still need to keep a consistent routine with your child during the month of December. Here is a short article that provides 6 reminders that you can implement at home that may support the craziness the holiday season can bring.

<https://pulse.seattlechildrens.org/7-tips-to-manage-your-childs-routine-during-the-holiday-season/>

We are looking forward to another successful week at the "best school that we all know"!

McAvinnue's Week In Review

McAvinnue's" Artist of the Week"

McAvinnue's" Artist of the Week" is Bruna in Room 208! She did an excellent job cutting all her turkey shapes and gluing them together! Bruna is quite the master with scissors and glue!

McAvinnue's "Musician Of The Week"

McAvinnue's "Musician Of The Week" is Kaylin in Room 303! She can now identify six different "tempos", which describe how fast or slow a song is. She can also sing the solfa notes "do, re, mi". Great job!

Bus Transportation Information

School bus transportation is provided to students in grades K-4, who live greater than .75 mile from their residence or alternate address to their assigned school. Middle school students (grades 5-8) must live greater than 1.5 miles from their residence or alternate address to their assigned school.

Kindergarten through 4th grade students will receive a printed bus pass via postal mail. These passes were mailed out on August 23rd. You can also look up your student's bus pass information by using their Student ID for the username and date of birth for the password at the link below. This is the same information that students use to log in to their Chromebooks for school.

Please note that Kindergarten and 1st grader students **must** have an older sibling (4th grade or older) or parent present at the bus stop in the afternoon in order to depart from the school bus. If a parent or older sibling is not present, the student will be brought to the Moody School, located at 158 Rogers Street. A driver's license or valid identification must be presented to the staff in order to dismiss the student.

You can use the LPSD "Bus Lookup Tool" using the link below. You will need to use you child's LASID or lunch number along with their birthdate to access this helpful system.

There also is a helpful video that you can watch that will walk you through the process.

Click Here For The LPSD "Bus Lookup Tool"

You will need to have your child's LASID or lunch number to access the most up to date bus information for your child. Please keep in mind that this number is also used to log into your child's borrowed device.

McAvinnue's Yoga Pose Of The Week: "Rag Doll"

We will practice a new pose called the "Triangle"! This new pose will allow us to focus on opening up body through stretching that highlights improved balance and increased strength. We will practice the "Triangle" pose daily during our "Virtual" Morning Announcements during this up and coming week on Monday, Wednesday, and Friday.

You can get an early head start and practice this technique before we launch into another exciting week!

Triangle

Open. Stretch. Balance. Strengthen.

1. Begin in Mountain. Jump your feet out nice and wide and turn your right foot out to the right. Stretch your arms out to the sides.
2. Inhale deeply to stand up tall. On your exhale, reach your right arm out to the right and slowly bending sideways.
3. Reach for your right shin with your right hand while raising your left arm up to the sky. Keep your arms strong and straight, shoulders down away from your ears.
4. Check to be sure you are bending sideways, rather than forward. You can do this by imagining your body is pressed flat between two panes of glass. For a balance challenge, try gazing up to your left hand.
5. Remain in Triangle for 3 – 5 breaths. Bend your right knee slightly and rise back up to standing, arms outstretched.
6. Switch sides by pivoting the feet and continuing from #2.

here's
an idea!

- **Reach & Stretch.** While you are in Triangle, have a friend hold his hand just above your fingertips. Without moving the hand on your shin, reach and stretch your hand up to touch your friend's hand. Your chest is now open and wide – Breathe...
- **Triangle Partners.** Do Triangle back to back with a friend. Keep backs of hands and arms connected from start to finish. Move together into Triangle, hold and breathe.

McAvinnue's Site Council is a group of faculty, parents, and community stakeholders who come together to help drive the instructional focus of the McAvinnue Elementary School. We look at student data and make decisions about the school's Quality Improvement Plan and budget.

We need one additional parent to join this important group. The commitment is one, one-hour, meeting each month usually on Zoom. As we hit budget season in February-April, there will be other meetings added.

If you would like to be a part of the team, please fill out the form below. If you have questions, please reach out to Mr. Domina at mdomina@lowell.k12.ma.us.

McAvinnue's Morning Announcements Are Back!

McAvinnue's "Morning Announcements" are back once again for the 2024-2025 academic school year! We are excited to bring these back starting on Monday, September 16th!

Like we had successfully done during previous school years, a new edition of McAvinnue's "Virtual" Morning Announcements will be presented to our students on Monday, Wednesday, and Friday each week. We will continue to use Tuesday and Thursday each week to be used for "Open Circle"....our Social Emotional Learning (SEL) program that focuses on community building, prosocial decision making, and appropriate responses to daily stressors both within the school and home settings.

This will continue to be a great way to bring our school together each day focusing on the same message to get the energy, commitment, and engage up before we launch into another great day at "the best school we all know".

McAvinnue's Morning Announcements will occur on Monday, Wednesday, and Friday each week.

You can check out current and past editions of McAvinnue's Morning Announcements on our YouTube channel using the link below.

As you are aware, attending school is first step each in the learning process for our students. It is critical that our students arrive to school on time each day so that they can access all of the engaging and meaning lessons that have been planned by our teachers and related service providers.

The McAvinnue Attendance Team will monitor student attendance on a weekly basis and will reach out directly to families when they notice frequent absences, a pattern of absences, or an increased number of consecutive absences within a short period of time.

Please refer to McAvinnue's Student Attendance Booklet below that will provide additional information. This booklet will be sent home with students in multiple languages. It is important that you review this information for your own awareness and to be fully prepared to support your child with the first step of the learning process...attending school on time.

The handbook is provided in three languages below.
