McAVINNUE'S PRINCIPAL'S MESSAGE

Hello McAvinnue Community!

Perfect timing...Spring will officially begin on Thursday, March 20th...and McAvinnue will enjoy the much needed consistent warmer temperatures in the upcoming weeks. If things are like this weekend, we are in for a treat!

It has been so great that our students have been having a chance to get outside for recess and Physical Education classes...what a nice sound to hear the laughter and excitement of our students while they worked up a sweat!

Reminder...It will be McAvinnue's "Green Day" on Monday, March 17th! Wear green to school on Monday to show your school spirit to help celebrate St. Patrick's Day! You can even wear your favorite St. Patrick's Day gear on this day and have some fun with this Spirit Day!

Another reminder...Please plan to join us for McAvinnue's "Math Festival" on **Thursday, March 20th at 5:30 PM - 7:00 PM** in the gymnasium! We have partnered with the Acera School in Winchester once again to plan this amazing event. You may remember that they also helped with our highly successful "STEM Family Night" back in January!

We will have many hands-on math games and activities for families to engage in. Many of the challenges will be to help our school mascot, Leo The Lion, along in many of the math challenges! There will even be a special appearance by Leo The Lion at this exciting event! To make things easier for everyone, we will provide a dinner option for families!

There is no need to sign up in advance, All you need to do is come to this event prepared to have a ton of mathematical fun! We hope to see everyone on Thursday, March 20th at 5:30 PM!

We will be distributing student report cards for our PreK - Grade 4 students on Friday, March 21st. Be on the lookout for your child's report card in an envelopment in their purple communication folder. Reach out to your child's teacher if you have any questions!

Finally, we are gearing up for the MCAS administration that will start the first week of April. This is the annual testing that occurs for our Grades 3 and 4 students. We will begin to prepare for ELA MCAS testing with the creation of small testing groups as well as ensure that our students have the appropriate testing accommodations so they can do their very best! As always, we appreciate your support with having students in school on their scheduled testing days! More details to come...stay tuned!

We are looking forward to another successful week at the "best school that we all know"!

Bus Transportation Information

School bus transportation is provided to students in grades K-4, who live greater than .75 mile from their residence or alternate address to their assigned school. Middle school students (grades 5-8) must live greater than 1.5 miles from their residence or alternate address to their assigned school.

Kindergarten through 4th grade students will receive a printed bus pass via postal mail. These passes were mailed out on August 23rd. You can also look up your student's bus pass information by using their Student ID for the username and date of birth for the password at the link below. This is the same information that students use to log in to their Chromebooks for school.

Please note that Kindergarten and 1st grader students **must** have an older sibling (4th grade or older) or parent present at the bus stop in the afternoon in order to depart from the school bus. If a parent or older sibling is not present, the student will be brought to the Moody School, located at 158 Rogers Street. A driver's license or valid identification must be presented to the staff in order to dismiss the student.

You can use the LPSD "Bus Lookup Tool" using the link below. You will need to use you child's LASID or lunch number along with their birthdate to access this helpful system.

There also is a helpful video that you can watch that will walk you through the process.

[Click Here For The LPSD "Bus Lookup Tool"](#)

You will need to have your child's LASID or lunch number to access the most up to date bus information for your child. Please keep in mind that this number is also used to log into your child's borrowed device.

McAvinnue's Morning Announcements

McAvinnue's "Morning Announcements" are back once again for the 2024-2025 academic school year! We are excited to bring these back starting on Monday, September 16th!

Like we had successfully done during previous school years, a new edition of McAvinnue's "Virtual" Morning Announcements will be presented to our students on Monday, Wednesday, and Friday each week. We will continue to use Tuesday and Thursday each week to be used for "Open Circle"....our Social Emotional Learning (SEL) program that focuses on community building, prosocial decision making, and appropriate responses to daily stressors both within the school and home settings.

This will continue to be a great way to bring our school together each day focusing on the same message to get the energy, commitment, and engage up before we launch into another great day at "the best school we all know".

McAvinnue's Morning Announcements will occur on Monday, Wednesday, and Friday each week.

You can check out current and past editions of McAvinnue's Morning Announcements on our YouTube channel using the link below.

McAvinnue's School Attendance Information

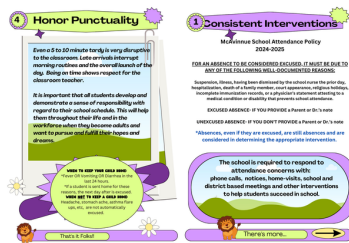

As you are aware, attending school is first step each in the learning process for our students. It is critical that our students arrive to school on time each day so that they can access all of the engaging and meaning lessons that have been planned by our teachers and related service providers.

The McAvinnue Attendance Team will monitor student attendance on a weekly basis and will reach out directly to families when they notice frequent absences, a pattern of absences, or an increased number of consecutive absences within a short period of time.

Please refer to McAvinnue's Student Attendance Booklet below that will provide additional information. This booklet will be sent home with students in multiple languages. It is important that you review this information for your own awareness and to be fully prepared to support your child with the first step of the learning process...attending school on time.

The handbook is provided in three languages below.
