McAvinnue's Community Newsletter: Week Of March 27th

McAvinnue's Principal's Message

Hello McAvinnue Community!

March is truly the longest month of the school year with no holiday days, scheduled days off, and vacation days to speak of. There were a few unexpected snow days...but, that was about it! We did a great job taking full advantage of the extended and consistent time with our students providing predictable needed instruction as we enter the last quarter of the school year!

We had a great turn out for Parent Teacher Conferences last Wednesday! It was so great to see so many families come in to review the overall progress of their child. We even had a few families that attended conferences using Google Meets or on the Zoom virtual platform. We will continue to offer multiple ways to connect with families moving forward that allows the greatest flexibility that will support everyone's busy schedules. If you didn't have a chance to connect with your child's teacher, please feel free to reach out to them and they will do their best to accommodate your request to connect.

Our second round of report cards were sent home with students last Wednesday. Please make sure that you review your child's report card and reach out to your child's teacher if you have any questions or concerns. We will have one final round of report cards for all students in June before we leave for the Summer Break.

MCAS will occur starting on the week of April 4th for our Grade 3 and Grade 4 students. We have developed a thoughtful testing schedule for both grade levels for 2 weeks in April (ELA) and 2 additional weeks in May (Math). Our students have spent time in March preparing for these important tests by completing test prep units as well as taking some practice testing sessions. You can find additional information regarding MCAS testing in the section below.

Here are a few items that you need to be aware for the next few weeks. Please mark your calendars for the following events and activities that will occur at McAvinnue:

- **Monday, March 27th - McAvinnue Reopens @ 9:10 AM**
- **Tuesday, March 28th - McAvinnue's School Site Council Meeting @ 5:00 PM - 6:00 PM**

ST Math Weekly Update

Week Of March 27th

ST Math®

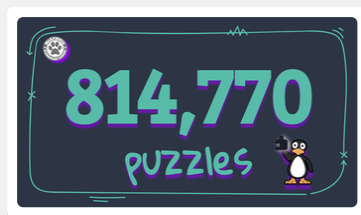

Check out our ST Math updated weekly celebrations below!

What an amazing month of puzzle play for McAvinnue! Our students have solved 814,770 puzzles so far this school year! This is such amazing progress by our students! We are well on our way to reaching 1 million puzzles by the end of the school year!

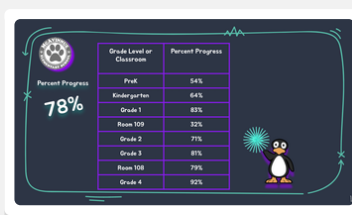

We have 2 classrooms that have reached 100% progress as an entire class....Rooms 301 and 302! They will join Room 309 as the classrooms that have achieved this tremendous accomplishment. We have many more classrooms that are on their way to 100% progress!

Percent Progress Averages continue to impress! Our school reached 78% Percent Progress! Our school goal is to reach 80% progress by the end of May. We will move past this goal this up and coming week! Also, we will most likely take over the top spot in the Lowell Public School District! It also looks very likely that we will reach 100% progress as a school by the end of this school year.

McAvinnue's next ST Math Challenge "March Mathness" completed its first week of grade level competition. We will announce the winner classrooms that will move on to the semi finals on Monday, March 27th. Stay tuned for the results....and who is moving on in this super fun tournament!

McAvinnue's ST Math "March Mathness" Challenge

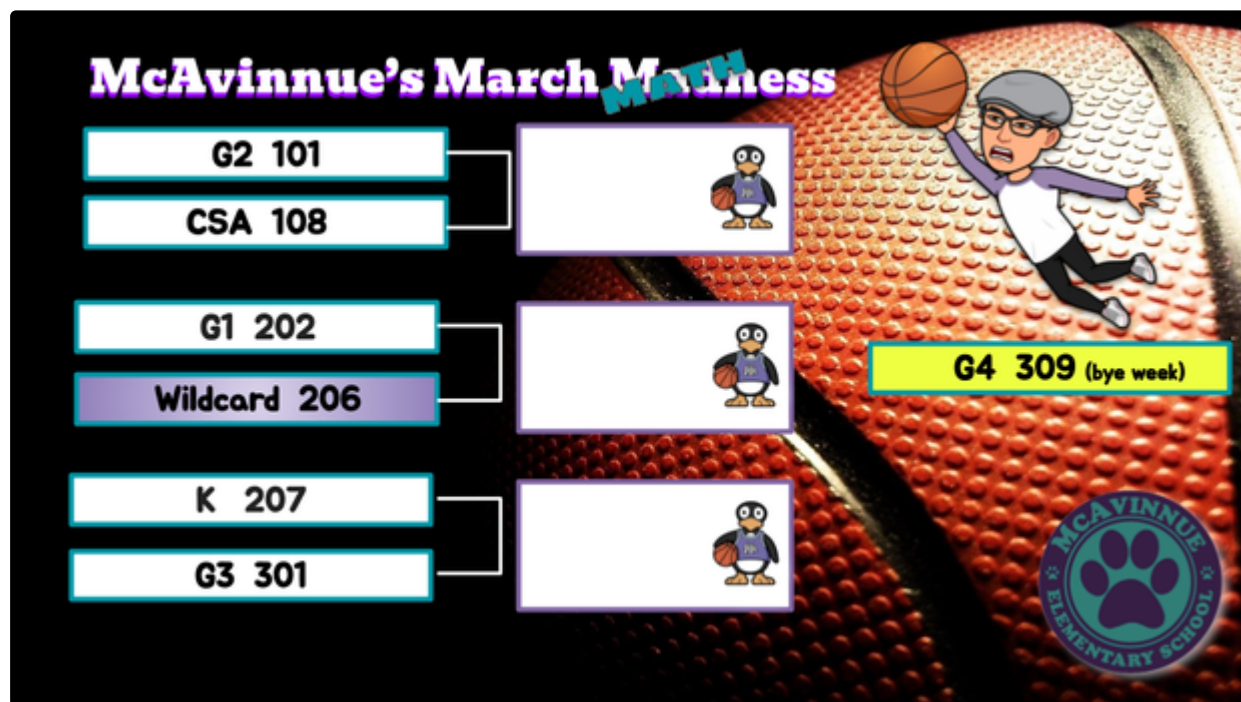

McAvinnue's ST Math March Mathness has arrived! Our 23 playing classrooms begin on Monday, March 13th - Friday, April 5th!

Every classroom has a base percent progress. The goal is to increase that progress percentage from week to week. After this week, 7 classrooms will move on, however, no classroom is truly out of the competition. There will be a "wild card classroom" and a classroom that receives a "bye" for the week of March 20th. Honorable mentions will also be celebrated. Be on the lookout for additional details during morning announcements.

This is going to be a ton of fun!

Check out the Round 2 bracket below. We will announce who will move on to the semi-final round on Monday, March 27th during McAvinnue's Morning Announcements! Stay tuned!

This will continue to be a great way to bring our school together each day focusing on the same message to get the energy, commitment, and engage up before we launch into another great day at "the best school we all know".

McAvinnue's Yoga Pose Of The Week: "Washing Machine" Continued...

We will be sticking with this classic yoga pose again this week called the "Washing Machine". We will practice the "Washing Machine" pose daily during our "Virtual" Morning Announcements during this up and coming week.

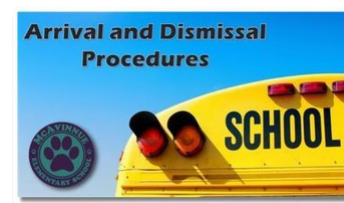

You can get an early head start and practice this technique before we launch into another exciting week!

- **Boost your grocery budget with monthly funds** you can use at locations of your choice, statewide.

PROJECT
BREAD

A fact sheet titled "WE'RE HERE FOR YOU." with a blue background and a pattern of small white dots. It includes sections on SNAP facts, eligibility, non-citizen status, and application steps, with images of an orange, watermelon, and lettuce. The bottom of the sheet features logos for Project Bread and the Supplemental Nutrition Assistance Program (SNAP).

WE'RE HERE FOR YOU.

Call our **FoodSource Hotline** at **1-800-645-8333** to find out if you qualify for SNAP with help from our trained counselors.

SNAP FACTS
SNAP is the Supplemental Nutrition Assistance Program, or, in other words, money for food. If you apply and are eligible, you are guaranteed to receive the benefits—in the form of a monthly cash stipend on an EBT card, that can be used just like a debit card for food shopping.

AM I ELIGIBLE?
If you could use help affording food, you could be! SNAP can help whether you're working or currently unemployed. All types of people, from single adults to families to seniors, receive SNAP benefits—it's a benefit meant to supplement your grocery budget. Call our FoodSource Hotline or visit StartWithSnap.org to find out more.

WHAT IF I'M NOT A U.S. CITIZEN?
Go on and reach out to us via our FoodSource Hotline (1-800-645-8333). Many non-citizens are eligible for SNAP.

YOU'VE CONVINCED ME. SO HOW DO I APPLY?
Be prepped with your personal information, such as your Social Security number (if you have one), your birthdate, mailing address, phone number, income, and expenses. Then, you can:

- Call our FoodSource Hotline at 1-800-645-8333
- Apply on your own at dtaconnect.eohhs.mass.gov/apply
- Or download a paper application from mass.gov/SNAP, or call our FoodSource Hotline to request one to be sent in the mail

If you're having trouble paying for groceries—whether or not you're working—you could be eligible for SNAP. Visit GettingSNAP.org or call **1-800-645-8333** for help.
