Community Newsletter: Week Of April 14th

MCAVINNUE'S PRINCIPAL'S MESSAGE

Hello McAvinnue Community!

As we head into the final week before Spring Break, I want to take a moment to thank you for your continued partnership and support. It's hard to believe we're already this far into the school year—our students have made incredible progress, and we're so proud of all their hard work. This upcoming week, April 14th through April 17th, will be filled with a mix of focused learning and some fun, seasonal activities designed to keep students engaged and motivated.

Across the building, classrooms will be incorporating spring-themed projects, hands-on learning activities, and opportunities for students to celebrate their academic growth. Some grade levels will be holding small celebrations, working on collaborative art or writing projects, or participating in themed projects. Teachers will be in touch with specific details about what's happening in their rooms, so please keep an eye out for messages on ClassDojo or in your child's purple communication folder. Students are also working hard to meet their goals in ST Math and i-Ready, and we encourage families to ask their children about their progress—it's a great way to stay involved and celebrate the effort they're putting in.

Spring Break will officially begin on Monday, April 21st. We hope all of our families enjoy a safe, restful week filled with joy, connection, and maybe even a little adventure. Whether it's reading a favorite book, spending time outside, or doing something creative as a family, these small moments of rest and exploration can make a big impact. If you're looking for ways to stay connected to learning over the break, students can continue to access ST Math, read independently, or complete a fun outdoor Spring activity like sidewalk chalk art or building a structure using sticks, leaves, and rock found in your yard or park.

If you are interested in joining our April Vacation Program, please see the information below with how you are sign up. The dates of the program will be Tuesday, April 22nd - Friday, April 25th. The program will run from 8:00 AM - 11:30 AM each day. Transportation will not be provided.

As always, if your family needs any support before or during the break—whether it's food resources, enrichment ideas, or help connecting with services—please don't hesitate to reach out. We're here to help in any way we can.

Thank you for being such an important part of our school community. We wish you and your family a wonderful Spring Break and look forward to finishing the school year strong when we return on Monday, April 28th!

We are looking forward to another successful week at the "best school that we all know"!

School bus transportation is provided to students in grades K-4, who live greater than .75 mile from their residence or alternate address to their assigned school. Middle school students (grades 5-8) must live greater than 1.5 miles from their residence or alternate address to their assigned school.

Kindergarten through 4th grade students will receive a printed bus pass via postal mail. These passes were mailed out on August 23rd. You can also look up your student's bus pass information by using their Student ID for the username and date of birth for the password at the link below. This is the same information that students use to log in to their Chromebooks for school.

Please note that Kindergarten and 1st grader students **must** have an older sibling (4th grade or older) or parent present at the bus stop in the afternoon in order to depart from the school bus. If a parent or older sibling is not present, the student will be brought to the Moody School, located at 158 Rogers Street. A driver's license or valid identification must be presented to the staff in order to dismiss the student.

You can use the LPSP "Bus Lookup Tool" using the link below. You will need to use your child's LASID or lunch number along with their birthdate to access this helpful system.

There also is a helpful video that you can watch that will walk you through the process.

Click Here For The LPSP "Bus Lookup Tool"

You will need to have your child's LASID or lunch number to access the most up to date bus information for your child. Please keep in mind that this number is also used to log into your child's borrowed device.

ST Math Weekly Progress!

The latest ST Math update is here, and we are thrilled to share some exciting news! Our students have collectively completed an incredible 818,000 puzzles in ST Math! This is a huge accomplishment and reflects the hard work and dedication of our students, as well as the opportunities for puzzling that you provide in your classrooms.

As we move through the Spring, let's continue encouraging our students to keep puzzling their way to success. Each puzzle completed brings them closer to mastering new skills and concepts. Currently, students are averaging over 60 puzzles per week—let's keep the momentum going! Our Progress Percentage reached 80% during the week! This is an amazing feat. With Friday's ST Math JiJi Day, students rose to 83%!

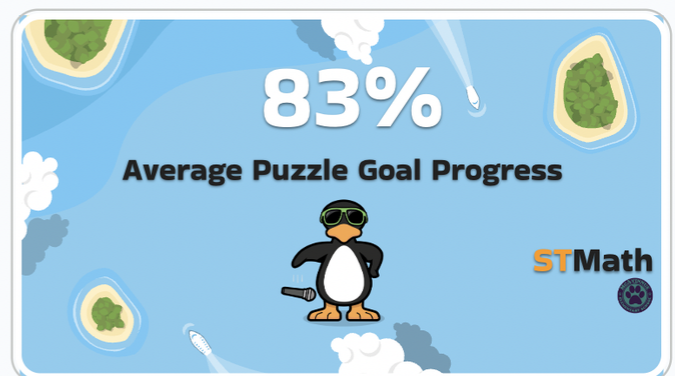

We had an amazing time celebrating JiJi on Friday—ST Math spirit was truly in full swing! From classroom attire and activities, students reaching 100%, lots of cheers, and puzzle-solving perseverance, McAvinnue showed up strong.

We proudly contributed to the MA to 2 Million Challenge, and together across the state, students solved over 1.3 million puzzles!

Let's Celebrate VELOCITY! Solving 2 puzzles every 3 minutes is the *ST Math sweet spot*—a perfect pace for deep thinking and steady progress!

Shoutout to our Velocity Rockstars...Rooms 203, 310, 202, and 207—you've hit the velocity zone and are modeling math momentum like pros!

McAvinnue's Morning Announcements

McAvinnue's "Morning Announcements" are back once again for the 2024-2025 academic school year! We are excited to bring these back starting on Monday, September 16th!

Like we had successfully done during previous school years, a new edition of McAvinnue's "Virtual" Morning Announcements will be presented to our students on Monday, Wednesday, and Friday each week. We will continue to use Tuesday and Thursday each week to be used for "Open Circle"our Social Emotional Learning (SEL) program that focuses on community building, prosocial decision making, and appropriate responses to daily stressors both within the school and home settings.

This will continue to be a great way to bring our school together each day focusing on the same message to get the energy, commitment, and engage up before we launch into another great day at "the best school we all know".

McAvinnue's Morning Announcements will occur on Monday, Wednesday, and Friday each week.

You can check out current and past editions of McAvinnue's Morning Announcements on our YouTube channel using the link below.

Mental Health Student Support

Lowell Public School Families: We are committed to supporting the overall well-being of our students and believe mental health is an important part of overall health. We currently partner with

Cartwheel <https://www.cartwheel.org/> to support the mental health needs of our students via virtual therapy with licensed clinicians.

Up until now, a student had to be identified and referred for these services by our school team. Now, parents/guardians can express interest directly in mental health services for their child. Just fill out this form <https://bit.ly/3QReTok>

Our school staff can still refer a student to Cartwheel with parent/guardian consent. To learn more about this mental health program, check out the flyer below.

Here are some signs to look out for to determine if your child might benefit from mental health support:

- Changes in mood or behavior
- Changes in eating or sleeping patterns
- Declining academic performance
- Withdrawal from friends or activities
- Increased anxiety or stress
- Expressing feelings of sadness or hopelessness
- Experiencing transition (related to life, family, peers, school)
- Exposure to a traumatic event

Supporting Your Child's Mental Health

Oftentimes, families are the first to recognize that their child might need mental health support but aren't sure where to start.

Cartwheel, our partner in supporting the mental health needs of our students, is now offering a way for parents/guardians to directly raise their hand for mental health support for their child.

Just fill out this simple form to inquire about accessing these services.

Cartwheel provides rapid access to evidence-based 1-1 teletherapy, psychiatric evaluations, medication management, parent guidance, and family therapy.

It is easy to access care. Connect via laptop, tablet, or phone. Services are available Mon-Fri, 8am-8pm (some Sat hours). Care provided in multiple languages, including Spanish.

Covered by most insurance plans. Standard co-pays and deductibles apply. Families with Medicaid or no insurance have \$0 out-of-pocket costs.

Signs that your child might need mental health support:

- Changes in mood or behavior
- Changes in eating or sleeping patterns
- Declining academic performance
- Withdrawal from friends or activities
- Increased anxiety or stress
- Expressing feelings of sadness or hopelessness
- Experiencing transition (related to life, family, peers, school)
- Exposure to a traumatic event

I was extremely impressed how fast he was scheduled to see a therapist once the referral was made. Both the therapist and the psychiatrist were absolutely wonderful, created an environment that made my son feel comfortable enough to talk and were so kind and patient. Highly satisfied!"

—Parent

www.cartwheel.org

How it works

Once you fill out the interest form, your school team will review your submission.

If your school team believes that Cartwheel is the right fit for your student, they will make a referral.

Cartwheel will reach out to you via text message to get started.

Some challenges Cartwheel can help your child with:

Anxiety	Coping skills
Stress	Motivation
Depression	Family and relationships
Sadness	Anger
Grief or loss	Trauma
Low self-esteem	School avoidance
Self-harm	Social issues
Navigating identity	Sleep issues
Technology use	And more...

First of all, it was so much easier and faster to get set up with Cartwheel than it would have been for us to find a new therapist in the traditional route. My son felt connected to his therapist right away, and we were grateful that a good match was found for him so quickly."

—Guardian

Student Handbook 2024-2025

The LPS Student Handbook is a great tool to use to fully understand the expectations of the role of our students as well as the partnership needed for our families to ensure that the school year is a great success.

You can access the district elementary student handbook by clicking the button below. You will find various policies and procedures focusing on attendance, grading, discipline, bus expectations, and more.

Please reach out directly if you have any questions.

McAvinnue's School Attendance Information

As you are aware, attending school is first step each in the learning process for our students. It is critical that our students arrive to school on time each day so that they can access all of the engaging and meaning lessons that have been planned by our teachers and related service providers.

The McAvinnue Attendance Team will monitor student attendance on a weekly basis and will reach out directly to families when they notice frequent absences, a pattern of absences, or an increased number of consecutive absences within a short period of time.

Please refer to McAvinnue's Student Attendance Booklet below that will provide additional information. This booklet will be sent home with students in multiple languages. It is important that you review this information for your own awareness and to be fully prepared to support your child with the first step of the learning process...attending school on time.

The handbook is provided in three languages below.

4 Honor Punctuality

Even a 5 to 10 minute tardy is very disruptive to the classroom. Late arrivals interrupt morning routines and the overall flow of the day. Being on time shows respect for the classroom teacher.

It is important that all students develop and demonstrate a sense of responsibility with regard to their school schedule. This will help them throughout their life and in the workplace when they become adults and want to pursue and fulfill their hopes and dreams.

Let's be on time every day!

There's a goal.

1 Consistent Interventions

McAvinnue School Attendance Policy 2024-2025

FOR AN ABSENCE TO BE CONSIDERED EXCUSED, IT MUST BE DUE TO ONE OF THE FOLLOWING WELL DOCUMENTED REASONS:

EXCUSED ABSENCE: IF YOU PROVIDE A PARENT or DOCTOR'S VERIFICATION, even if they are excused, are still absences and are considered in determining the appropriate intervention.

The school is required to respond to attendance concerns with phone calls, notices, home visits, school and district based meetings and other interventions to help students succeed in school.

There's more.

2 Parent Partnership

An intervention to become more successful is to work together to have students develop a consistent attendance plan that will help them arrive and stay in school every day.

3 School Incentives

Perfect Attendance: At the end of every month we have a school assembly where we celebrate all the McAvinnue students who have been in school every day that month! We'll also be raffling off a prize among students with perfect attendance.

The 5-Day Challenge: Each Friday, the attendance team visits students that have been in school every day to award them with a prize for the week.

MAC - Monthly Attendance Champion

At the end of every month we calculate the classroom in each grade that had the most students present all 5 days each week. The classroom with the best attendance percentage gets to keep the MAC trophy during the whole month!

There's even more.

The McAvinnue Way

- 1 We follow Consistent Interventions
- 2 We believe in a Parent Partnership
- 3 We have 3 School-Based Incentives
- 4 We ask students to Honor Punctuality

Chronic Absenteeism is missing 10% (18 days) of school days for any reason

It can translate into students having difficulty learning to read by the third grade, as well as difficulty achieving in middle school, and graduating from high school.

4 Ser Puntuales

Incluso un retraso de 5 a 10 minutos es perjudicial para el salón de clases. Los llegados tardíos interrumpen las rutinas matutinas y el flujo general del día. Además, llegar a tiempo demuestra respeto por el maestro y el salón de clases.

Es importante que todos los estudiantes desarrollen un sentido de responsabilidad con respecto a su horario escolar. Esto les ayudará a lo largo de su vida y en el mundo laboral cuando sean adultos y quieran alcanzar sus sueños.

¿Cuándo llegar a un salón de clase?

Debes estar en el salón de clase antes de las 8:00 a.m. y estar listo para comenzar la clase.

¿Cuándo NO llegar a un salón de clase?

Después de las 8:00 a.m. o después de las 8:00 a.m. si estás en el camino.

4 Seja pontual

Até mesmo um atraso de 5 a 10 minutos é prejudicial para o fluxo da sala de aula. As chegadas tardias interrompem as rotinas matutinas e o fluxo geral do dia. Além disso, chegar no tempo demonstra respeito pelo professor e pela sala de aula.

É importante que todos os alunos desenvolvam um senso de responsabilidade em relação ao seu horário escolar. Isso irá ajudá-los ao longo da vida e no mundo do trabalho quando forem adultos e quiserem realizar os seus sonhos.

Quando chegar a um sala de aula?
