Community Newsletter: Week Of June 2nd

MCAVINNUE'S PRINCIPAL'S MESSAGE

Hello McAvinnue Community!

The last few weeks of school could be the craziest time of the school year for both of our students and faculty. We have Grade 4 visiting the Wang Middle School, McAvinnue's "Paw"tastic Field Day, various classroom celebrations, and more over the next 11 school days. It's important to remain engaged with notices and reminders that will be sent out by your child's teacher and the school directly. There will be a lot coming your way and you don't want to miss out!

Please keep in mind that many of our activities over the next 2 weeks will be outdoors. Please apply a generous layer of high-SPF sunscreen in the morning before school to prevent burns from sun exposure. Also, freezing a water bottle overnight is recommended for hydration. We do have drinking fountains available at school. Please do not send students to school in flip-flops or other backless shoes as these pose a safety hazard while running and playing at school and during various end of the school year events/activities.

McAvinnue's "Paw"tastic Field Day is scheduled to occur on Friday, June 6th. I have included some updated schedule information below. Please make sure that you carefully read this to ensure that you are aware when your child's grade level will be at Father Maguire Park for their field event portion of the day. There is also some helpful tips for you to consider before this day.

Currently, the weather forecast for Friday includes a 50% chance of thunder showers later in the afternoon. The predicted temperature will be 82 degrees. As you know, anything can change and we will continue to monitor the weather conditions as the week progresses. We will make the final decision with McAvinnue's "Paw"tastic Field Day first thing on Thursday, June 5th. Stay tuned for an update via Class Dojo.

We are planning to hold the Grade 4 "Move Up" Graduation Ceremony on Monday, June 13th at starting at 10:30 AM. Families can arrive at 10:00 AM to find a seat in the gymnasium. We are not putting a hard cap on guests and should have enough seating available including some overflow options on the sides of the gymnasium. It is important to get to the school on time for this event as we will begin the ceremony promptly at 10:30 AM.

The full ceremony will be about an hour. Students should dress in appropriate attire such as dress pants/khakis, polo-style shirts, collared shirts, and jumpsuits/summer dresses would all be appropriate for the occasion. You do not need to have your child dress up for this event...however, it would be a nice touch to wear something special for this very important event in your child's educational career!

Finally, the last day of school will be Monday, June 16th. This day is a half school day with student dismissal occurring at 1:30 PM. Breakfast and lunch being served for all students!

If you have any questions, please don't hesitate to reach directly.

Here are a few items that you need to be aware of. Please mark your calendars for the following events and activities at McAvinnue for the next few weeks:

- ***Monday, June 2nd - McAvinnue Reopens @ 9:10 AM***
- ***Monday, June 2nd - McAvinnue's "Lions Pride" Core Value All School Celebration: May Edition @ 9:30 AM - 10:15 AM***
- ***Wednesday, June 4th - Kindergarten In-School Field Trip: Acton Science Museum***
- ***Thursday, June 5th - Last Day Of The Before & After School Program: Session 3***
- ***Thursday, June 5th - Grade 1 Field Trip: New England Aquarium***
- ***Friday, June 6th - McAvinnue's "Paw"tastic Field Day***

If you have any questions, please don't hesitate to contact the Main Office at McAvinnue or send Mr. Domina a message a mdomina@lowell.k12.ma.us.

McAvinnue's "Paw"tastic Field Day

McAvinnue's "Paw"tastic Field Day is back and will take place on Friday, June 6th!

This event will combine super awesome outside field events with inside classroom fun for all of our students. Families will be able to come out to Father Maguire Park and cheer on their child during the outside field event portion of the school day only.

Each grade level will have a specific time that they will be outside enjoying some sunshine and fun with some crazy activities! Also, our students will have a cookout at the school, and end the day with a very special "Teacher Challenge" All School Meeting!

Here is the following grade level schedule for the field event portion of McAvinnue's "Paw"tastic Field Day:

- **Kindergarten** - 9:30 AM - 11:00 AM
- **Grades 1 & 2** - 11:05 AM - 12:30 PM
- **Grades 3 & 4** - 12:35 PM - 2:00 PM

Families are allowed to attend the field event portion of the event. This will occur across the street from McAvinnue at Father Maguire Park. After the field event portion has been completed for each grade level, students will head back to McAvinnue to continue to have a blast with some indoor activities including a special lunch on our rooftop courtyard.

Families ARE NOT permitted to enter the school during the indoor portion of McAvinnue's "Paw"tastic Field Day.

Students should arrive at school with a hat, water bottle, and sunblock already applied to exposed areas. School faculty will NOT be applying sunblock on students. This will take up too much time which will impact how this day will move along.

The rain date for this amazing event will be Monday, June 9th and the same schedule indicated above will be followed. We will make the decision to cancel and move McAvinnue's "Paw"tastic Field Day first thing on Thursday, June 5th in the morning. Be on the lookout for any outreach from the school on Class Dojo.

Reach out directly to the school if you have any questions! We are looking forward to hosting another tremendous day for our students, faculty, and families!

McAvinnue's Summer Program Registration is **STILL** Open!

McAvinnue's Summer Program

July 7th - August 1st
8:00 AM - 11:30 AM

The program is available for our current Kindergarten - Grade 4 students. Transportation will not be provided. We only have 45 spots available so don't hesitate to sign-up now.

#McAvinnuePride

We are excited to offer McAvinnue's Summer Program, a fun and enriching learning experience that will run from Monday, July 7th through Friday, August 1st, daily from 8:00 AM to 11:30 AM. This four-week program is specially designed for current McAvinnue students in Kindergarten through Grade 4 and aims to support continued learning, creativity, and social development throughout the summer.

The Summer Program will be staffed entirely by McAvinnue faculty, ensuring that students are supported by familiar, trusted educators who understand their needs and learning styles. Each day will include a blend of academic enrichment in literacy and math, hands-on science and art activities, structured outdoor play, and social-emotional learning opportunities—all in a fun, engaging environment.

Please note that transportation will not be provided. Families must arrange their own drop-off and pick-up. A light breakfast will be served daily upon arrival to help students start their day ready to learn. A bag lunch will be provided each day of the program.

Only 45 spots are available, and enrollment will be considered on a first-come, first-served basis. To sign up, families must complete the Google Form provided by the school. The link can be found below.

This program is a fantastic opportunity for students to stay connected with school, maintain academic progress, and enjoy a summer filled with learning, exploration, and fun. We look forward to spending the summer with your child!

If you have any questions, please reach out to Mrs. Gervais, Summer Program Coordinator, at mgervais@lowell.k12.ma.us if you have any questions.

End Of The Year Medication Pick-Up

Please see the message below from Nurse Danielle regarding picking up student medication by the end of the school year.

"Dear Parents or Guardian:

This is a reminder that ALL medications need to be picked up by a parent/guardian or designee at the end of the school year. If the medication is not picked up by the last day of school on June 18th, the medication will be destroyed according to the City of Lowell Health Department School Health Unit.

UNDER NO CIRCUMSTANCES WILL MEDICATION BE HANDED TO A STUDENT TO BE TRANSPORTED HOME.

If you have any questions or concerns, please contact me at 978-454-1595."

McAvinnue's All School Attendance Challenge

McAvinnue's Attendance Team would like to thank you for all of your efforts in supporting your child's academic success by stressing the importance of attendance!

We have approximately one month left of school and we are asking that you please continue to send your child to school everyday. We understand that it can be difficult with the nicer weather and many activities occurring at home. However, we have many important and fun events planned for the remainder of the school year that include various field trips, classroom activities, Field Day, and much more!

To encourage your child's attendance, we are starting an all school attendance challenge. If your child comes to school everyday starting on Monday, May 12th through Friday, June 12th, they will be included to pick a great fun prize along with an invitation to a very special popsicle party!

McAvinnue's Week In Review

McAvinnue's "Artist Of The Week"

McAvinnue's "Artist Of The Week" is Surianne in Room 304. She created a beautiful still life! With spot-on colors and values, she kept the fruit as her focal point. Her drawing, brushwork, and watercolor mixing are exceptional. Amazing work!

Grade 2 Goes To The Stone Zoo!

Another outstanding Stone Zoo field trip for our Grade 2 students! This such a great field trip for our students with so much to see, hear, and smell!

Let's Make Some Angles!

Grade 4 students in Room 310 made some angles, triangles and parallel and perpendicular lines using tape this afternoon! We love the hands on learning opportunity as we move closer to the end of the school year!

McAvinnue's "Musician Of The Week"

McAvinnue's "Musician Of The Week" is Liam in Room 310! Upon finishing our ukulele unit, Liam has started learning keyboard (electric piano) and can use Middle C to figure out the names of the rest of the piano keys. He can also write melodies and rhythms to make a song. Keep up the good work!

Harvest Time In Room 301!

Grade 3 students in Room 301 recently had an opportunity to harvest radishes they planted during the All School Planting Day in the early Spring!

Turtle Release Day!

Grade 1 students in Room 201 had a blast on a quick field trip to release the two turtles that they have been raising as part of the Turtle HATCH Program this school year! While there were some tears when the turtles were released, we are confident that they will continue to thrive in their natural habitat!

McAvinnue's International Night!

McAvinnue's Annual "International Night" was another AMAZING event for our school!

We celebrated the cultural heritages of our families through the sharing of their favorite food and traditions! The turnout was fantastic to say the least!

We even took a few moments to celebrate McAvinnue's 30th birthday since the school was built and opened!

McAvinnue STEM Month Week # 2 Winners - Room 301

Marble Run

Newspaper Towers

Ice Cream Sundae Party

STEM Challenge Month Week 2 Update!

Week 2 take-home bags challenged the students to make a "Marble Run" and a "Newspaper Tower". Students completed the challenges at home and uploaded their creations to the Padlet.

When the uploads were tallied, Grade 3 students in Room 301 were the winners once again! The class voted and decided on an ice cream sundae party this week!

On Friday, they enjoyed multiple flavors of ice cream with plenty of topping options including chocolate and strawberry sauce, assorted candy toppings, whipped cream, and cherries! YUM! Which class will win Week 3?

Allergies? Asthma? Medications? - Please Let Nurse Danielle Know!

If your students have any medical concerns or diagnosis, please make sure Nurse Danielle is aware. Also, if they have any medical conditions, for example allergies or asthma, that require medications such as Epipens or inhalers here at school, please remember she needs updated paperwork and medication yearly.

Please reach out as soon as possible to get her the necessary paperwork and to arrange drop off of new medications. Nurse Danielle's email address is dralls@lowell.k12.ma.us and she can also be reached by calling (978) 937-2871 ex. 47858. Our fax number is (978) 937-2880.

Drop-Off & Pick-Up Logistics

Drop-Off Logistics

- Arrival begins at 9:10 AM each day. The late bell rings at 9:25 AM.
- Please pull up to the 4th Avenue side of the building when dropping off your child.
- As you approach the 4th Avenue sidewalk, a faculty member will greet and support getting your child safely out of the vehicle.
- This area is a drop off area ONLY. You will not be permitted to park in this location.
- Please be sure to drive all the way down to the end of the sidewalk so we can fit as many vehicles in this location as possible.
- Ensure your child is ready to go and do not get out of the car so we can keep traffic moving.
- Students accessing our CSA program will be dismissed out the 4th Avenue door near the rear of the school building by the exit driveway.
- Large bus students will enter using the back door located in the rear of the school building.
- Small bus and van transportation students will use the 4th Avenue door near the rear of the school building by the exit driveway.

Morning Lining Up Locations

- Grade 1, 3, and 4 students will use the Main Door to enter the school building.
- Grade 2 will use the 4th Avenue doorway near the front of the school to enter the building.
- PreK & Kindergarten will use the Early Childhood door to enter the building. This door is located to the right of McAvinnue's Reading Garden and to the left of the Main Door.

Pick-Up Logistics

- Grade 1 will be dismissed out the Main Door.
- Grades 2, 3, and 4 will be dismissed out the 4th Avenue door near the front of the school.
- Kindergarten students will be dismissed out the Early Childhood door. This door is located to the right of McAvinnue's Reading Garden and to the left of the Main Door.
- Students accessing our CSA program will be dismissed out the 4th Avenue door near the rear of the school building by the exit driveway.
- PreK students will be dismissed out the 4th Avenue door near the rear of the school building by the exit driveway. Please contact Ms. Annie for the specific dismissal time.

Bus Transportation Information

School bus transportation is provided to students in grades K-4, who live greater than .75 mile from their residence or alternate address to their assigned school. Middle school students (grades 5-8) must live greater than 1.5 miles from their residence or alternate address to their assigned school.

Kindergarten through 4th grade students will receive a printed bus pass via postal mail. These passes were mailed out on August 23rd. You can also look up your student's bus pass information by using their Student ID for the username and date of birth for the password at the link below. This is the same information that students use to log in to their Chromebooks for school.

Please note that Kindergarten and 1st grader students **must** have an older sibling (4th grade or older) or parent present at the bus stop in the afternoon in order to depart from the school bus. If a parent or older sibling is not present, the student will be brought to the Moody School, located at 158 Rogers Street. A driver's license or valid identification must be presented to the staff in order to dismiss the student.

You can use the LPSD "Bus Lookup Tool" using the link below. You will need to use you child's LASID or lunch number along with their birthdate to access this helpful system.

There also is a helpful video that you can watch that will walk you through the process.

Click Here For The LPSD "Bus Lookup Tool"

You will need to have your child's LASID or lunch number to access the most up to date bus information for your child. Please keep in mind that this number is also used to log into your child's borrowed device.

McAvinnue's Yoga Pose Of The Week: "Rag Doll" Continued...

We will continue with this classic pose that we practiced back in January called the "Rag Doll" as we launch into 2025! This pose will allow us to work on getting a good stretch that will rejuvenate, refocus, and clear our minds to have the best day possible! We will practice the "Rag Doll" pose daily during our "Virtual" Morning Announcements during this up and coming week on Monday, Wednesday, and Friday.

You can get an early head start and practice this technique before we launch into another exciting week!

ST Math Weekly Progress!

As we cruise through the final weeks of the school year, it's time to take a moment to celebrate the amazing accomplishments of our students and all of you!

Over 1 million puzzles have been solved! Puzzles cracked, conquered, and completed by our brilliant students. What an incredible milestone to recognize and applaud! The students' total will reach 1.1 million this week!

Our Progress Percentage continues to soar! We're expecting to be up 2% - 3% from last week. On Monday morning, the official ST Math report will be released with our progress percentage details that reach beyond 100%. Let's keep the momentum going as we head into the final stretch. This Week's Shout-Out goes to all of our students who have played an incredible number of minutes. Over 1.7 minutes have been logged.

Summer ST Math Options

Here's a message from our friends at ST Math: The end of the school year doesn't mean the end of learning. Remember that ST Math remains available to students all summer long! Every minute of playing ST Math puzzles counts, even beyond the classroom. Encourage continued growth by exploring our [Summer Motivation Tips](#), filled with ideas to help students stay engaged with JiJi® and keep learning over break. Help students finish strong and start next year with confidence!

There are a few pathways to support ST Math engagement over the summer... whether at home or in a community setting. Keep an eye out for additional information to encourage continued puzzling fun and skill reinforcement this summer.

McAvinnue's Morning Announcements

McAvinnue's "Morning Announcements" are back once again for the 2024-2025 academic school year! We are excited to bring these back starting on Monday, September 16th!

Like we had successfully done during previous school years, a new edition of McAvinnue's "Virtual" Morning Announcements will be presented to our students on Monday, Wednesday, and Friday each week. We will continue to use Tuesday and Thursday each week to be used for "Open Circle"....our Social Emotional Learning (SEL) program that focuses on community building, prosocial decision making, and appropriate responses to daily stressors both within the school and home settings.

This will continue to be a great way to bring our school together each day focusing on the same message to get the energy, commitment, and engage up before we launch into another great day at "the best school we all know".

McAvinnue's Morning Announcements will occur on Monday, Wednesday, and Friday each week.

You can check out current and past editions of McAvinnue's Morning Announcements on our YouTube channel using the link below.

Mental Health Student Support

Lowell Public School Families: We are committed to supporting the overall well-being of our students and believe mental health is an important part of overall health. We currently partner with

Cartwheel <https://www.cartwheel.org/> to support the mental health needs of our students via virtual therapy with licensed clinicians.

Up until now, a student had to be identified and referred for these services by our school team. Now, parents/guardians can express interest directly in mental health services for their child. Just fill out this form <https://bit.ly/3QReTok>

Our school staff can still refer a student to Cartwheel with parent/guardian consent. To learn more about this mental health program, check out the flyer below.

Here are some signs to look out for to determine if your child might benefit from mental health support:

- Changes in mood or behavior
- Changes in eating or sleeping patterns
- Declining academic performance
- Withdrawal from friends or activities
- Increased anxiety or stress
- Expressing feelings of sadness or hopelessness
- Experiencing transition (related to life, family, peers, school)
- Exposure to a traumatic event

Supporting Your Child's Mental Health

Oftentimes, families are the first to recognize that their child might need mental health support but aren't sure where to start.

Cartwheel, our partner in supporting the mental health needs of our students, is now offering a way for parents/guardians to directly raise their hand for mental health support for their child.

Just fill out this simple form to inquire about accessing these services.

Cartwheel provides rapid access to evidence-based 1-1 teletherapy, psychiatric evaluations, medication management, parent guidance, and family therapy.

It is easy to access care. Connect via laptop, tablet, or phone. Services are available Mon-Fri, 8am-8pm (some Sat hours). Care provided in multiple languages, including Spanish.

Covered by most insurance plans. Standard co-pays and deductibles apply. Families with Medicaid or no insurance have \$0 out-of-pocket costs.

Signs that your child might need mental health support:

- Changes in mood or behavior
- Changes in eating or sleeping patterns
- Declining academic performance
- Withdrawal from friends or activities
- Increased anxiety or stress
- Expressing feelings of sadness or hopelessness
- Experiencing transition (related to life, family, peers, school)
- Exposure to a traumatic event

I was extremely impressed how fast he was scheduled to see a therapist once the referral was made. Both the therapist and the psychiatrist were absolutely wonderful, created an environment that made my son feel comfortable enough to talk and were so kind and patient. Highly satisfied!"

—Parent

www.cartwheel.org

How it works

Once you fill out the interest form, your school team will review your submission.

If your school team believes that Cartwheel is the right fit for your student, they will make a referral.

Cartwheel will reach out to you via text message to get started.

Some challenges Cartwheel can help your child with:

Anxiety	Coping skills
Stress	Motivation
Depression	Family and relationships
Sadness	Anger
Grief or loss	Trauma
Low self-esteem	School avoidance
Self-harm	Social issues
Navigating identity	Sleep issues
Technology use	And more...

First of all, it was so much easier and faster to get set up with Cartwheel than it would have been for us to find a new therapist in the traditional route. My son felt connected to his therapist right away, and we were grateful that a good match was found for him so quickly."

—Guardian

Student Handbook 2024-2025

The LPS Student Handbook is a great tool to use to fully understand the expectations of the role of our students as well as the partnership needed for our families to ensure that the school year is a great success.

You can access the district elementary student handbook by clicking the button below. You will find various policies and procedures focusing on attendance, grading, discipline, bus expectations, and more.

Please reach out directly if you have any questions.

McAvinnue's School Attendance Information

As you are aware, attending school is first step each in the learning process for our students. It is critical that our students arrive to school on time each day so that they can access all of the engaging and meaning lessons that have been planned by our teachers and related service providers.

The McAvinnue Attendance Team will monitor student attendance on a weekly basis and will reach out directly to families when they notice frequent absences, a pattern of absences, or an increased number of consecutive absences within a short period of time.

Please refer to McAvinnue's Student Attendance Booklet below that will provide additional information. This booklet will be sent home with students in multiple languages. It is important that you review this information for your own awareness and to be fully prepared to support your child with the first step of the learning process...attending school on time.

The handbook is provided in three languages below.

4 Honor Punctuality

Every 20 minutes (every 15 minutes) is very important to the classroom. Late arrivals interrupt the learning process and the overall flow of the day. Being on time shows respect for the classroom teacher.

It is important that all students develop and demonstrate a sense of responsibility with regard to their school schedule. This will help them throughout their life and in the workplace when they become adults and want to pursue and fulfill their hopes and dreams.

What to do when you are late:

- 1. Apologize to the teacher.
- 2. Explain the reason for being late.
- 3. Ask for help to get caught up on work.

What NOT to do when you are late:

- 1. Do not talk back.
- 2. Do not make excuses.
- 3. Do not be disrespectful.

There's a goal! There's more!

2 Parent Partnership

An important part of becoming more responsible is working together to have students develop responsible attitudes that lead to better choices and plans.

What to do when you are late:

- 1. Apologize to the teacher.
- 2. Explain the reason for being late.
- 3. Ask for help to get caught up on work.

What NOT to do when you are late:

- 1. Do not talk back.
- 2. Do not make excuses.
- 3. Do not be disrespectful.

There's a goal! There's more!

The McAvinnue Way

- 1 We follow consistent interventions
- 2 We believe in a Parent Partnership
- 3 We have 3 School-Based Incentives
- 4 We ask students to Honor Punctuality

Chronic Absenteeism is missing 10% (18 days) of school days for any reason

It can translate into students having difficulty learning to read by the third grade, as well as difficulty achieving in middle school, and graduating from high school.

4 Ser Puntuales

Intermedios de 20 minutos (cada 15 minutos) son muy importantes para el salón de clases. Los llegados tardíos interrumpen el proceso de aprendizaje y el flujo general del día. Además, llegar a tiempo demuestra respeto por el maestro y el salón de clases.

Es importante que todos los estudiantes desarrollen un sentido de responsabilidad con respecto a su horario escolar. Esto les ayudará a lo largo de su vida y en el mundo laboral cuando sean adultos y quieran alcanzar sus sueños.

¿Qué hacer si se está en casa?

- 1. Disculparse con el maestro.
- 2. Explicar la razón por la que llegó tarde.
- 3. Pedir ayuda para ponerse al día con el trabajo.

¿Qué NO hacer si se está en casa?

- 1. No hablar de vuelta.
- 2. No hacer excusas.
- 3. No ser irrespetuoso.

¡Hay un objetivo! ¡Hay más!

General Information

How can I update my contact information (phone number/email/address)?

- Go online to the Family Resource Webpage (<https://www.lowell.k12.ma.us/UpdateContactInfo>) and fill out the "contact us" form. Families who don't have access to the internet can fill out the form in person at the Family Resource Center. If an address change is related to economic factors or housing instability (family moves in with relatives, eviction, hotel/motel, fire or unsheltered, please contact the McKinney Vento Office located at the Family Resource Center in person (151 Merrimack Street), by phone (978-674-4321) or go to the webpage at <https://www.lowell.k12.ma.us/HomelessAssistance>.

How do I update my emergency contacts?

- If you were in the school last year we will send a verification sheet out. If you are new we will send home an emergency form to fill out on the first day of school.

How do I register my child for the new school year?

- All school registrations are completed online using a computer or laptop. You can access the online application by going to <https://www.lowell.k12.ma.us/SchoolRegistration>. If you only have a mobile device and don't have access to a computer or laptop, you can register in person at the Family Resource Center (151 Merrimack Street). Please call the Family Resource Center if you have any questions (978-674-4321).

What should I do if I need to register my child(ren) and I don't speak English?

- The Lowell Public Schools is committed to providing translation and interpretation services for families who require assistance in a language other than English. The online registration application and website is translated in Spanish and Portuguese and can be accessed by going to <https://www.lowell.k12.ma.us/SchoolRegistration>. For all other languages, please call Vannak Khin at (978) 328-6782 to arrange services. In-person language interpretation support for registration can be accessed by visiting the Lowell Public Schools at 151 Merrimack Street. Families can also call the Family Resource Center at (978) 674-4321 to make an appointment with a Bilingual Family Liaison.

How old does my child need to be to enroll in preschool or kindergarten?

- A child must turn 4 years old on or before September 1, 2023, in order to apply for preschool and 5 by September 1 to apply for kindergarten. A family can apply for preschool by going to <https://www.lowell.k12.ma.us/PreschoolRegistration> to fill out an online application or <https://www.lowell.k12.ma.us/KindergartenRegistration> for kindergarten. For registration questions, please call (978) 674-4321.

How do I apply for a transfer for my child to change schools in the new year?

- Per the 2023-2024 School Assignment Policy, all students have the option to request one school transfer per year.
- Families can apply online at <https://www.lowell.k12.ma.us/SchoolTransfer> or can come to the Family Resource Center in-person to complete the application. Transfers are assigned on a space availability basis.

SUMMER 2025 STEM WORKSHOPS

Session I | June 23 - June 27

STEM Mash-Up (Grades 5 - 8)

Students will try out challenges like a Shark tank escape, Paper Airplane Challenge & a popsicle bridge and more. There will also be a field trip to Triton Systems.

Crime Science (Grades 5 - 7)

Students will participate in hands-on activities to help them understand how a crime would be solved. Activities such as fingerprinting, DNA typing, chromatography, blood typing and handwriting analysis will help students put clues together to identify suspects in a crime. This course will be geared toward younger students and students can continue the following year to a more advanced Forensic Course.

Gamemakers (Grades 5 - 8)

Game development has come a long way from Pacman and Pong, yet 2D games still hold their own in the gaming world. In this camp, students will learn the basics of game development that allow video games like Undertale and Terraria to compete with the bigger game studios. Students will learn mechanics and design techniques through the development of multiple games and will have the opportunity to create their own personal games from scratch!

Architecture & Design (Grades 7 - 11)

Students will learn about the field of structural engineering. Students will design, create a bridge and participate in a bridge challenge. Students will also complete a 3D kit of their dream house including 3-D furniture. Students will be introduced to graphic design and create an architecture logo.

Coding With Sphero Battle Bots (Grades 8 - 11)

Students will first learn how to code and then students will look at and build robotic designs for battle bots. Then using the engineering design process, students will build protective armor for their sphero robot that focuses on offense, defense, and controllability in different situation. Once completed students will compete and "battle" with fellow students robots. May the best battlebot win!

Careers in Medicine (Grades 9 - 12)

In this course students will explore various medical professions through hands-on investigations. The science curriculum motivates students to think critically, communicate effectively, and work collaboratively in teams. We bring classroom learning into the real world with hands-on experiences, giving them the confidence they need to succeed. Students will explore the UMASS Physical Therapy program as well as the Biomedical programs at MCC. Students will also be certified in First Aid and CPR.

Session II | July 7 - 11

Harvard MEDscience (Grades 9 - 12)

MEDscience is an innovative high school Biology course immersing students into simulated medical emergencies. The science curriculum motivates students to think critically, communicate effectively, and work collaboratively in teams. We bring classroom learning into the real world with hands-on experiences, giving them the confidence they need to succeed.
