McAvinnue's Community Newsletter: Week Of September 8th

MCAVINNUE'S PRINCIPAL'S MESSAGE

Hello McAvinnue Community!

I hope that everyone is doing well and enjoying the weekend! Football season has arrived at the high school, college, and pro levels. This is always one of the most favorite times of the year for the Domina Family! As many may know, we are major Miami Dolphins fans and spend just about every Sunday cheering on the team. We are hopeful that the Dolphins have a good season and even has a chance to make the playoffs if everything goes as planned. Also, we Mississippi State University football fans as my son is now a sophomore at the college. There is nothing like attending a football game down south...amazing energy and excitement from the fans! We were lucky enough to head down to watch game last season...and hope to do the same again this Fall!

It was a short but busy and amazing week at McAvinnue! It was so great to welcome our PreK and Kindergarten friends this week. There was a tremendous amount of excitement and energy in the building on Wednesday...and they were already settled in and working by the end of the school week! Check out some pictures below to recap the first few weeks at McAvinnue!

Mr. Shanahan and I have had the chance to see multiple engaging lessons and activities with our students that focus on writing, speaking, moving, and collaborating with one another. I'm eager to see what this up and coming week brings! Stay tuned and be on the lookout for various posts on

Class Dojo and our social media outlets for samples of what our students are working on during the school day!

Things have definitely settled down and our buses are arriving and leaving our school more consistently when compared to the first week of school. When buses are running late or are delayed, we will continue to communicate via Class Dojo. While we can't predict when a bus will arrive to McAvinnue or how long the route home will take, we will pass along any relevant information that is shared with us by the district or North Reading Transportation (NRT) who services as the transportation provider for the Lowell Public School District.

Finally...due to the local Primary Elections in Lowell, all schools will be closed for students on Tuesday, September 9th.

The decision to close all schools on this day centers around student safety for the schools that are used as predict voting polls. With the building open to the general public on this day, school security is somewhat compromised due to the high volume of residents coming to vote throughout the day.

Remember to go out and vote. It's important to make your voice heard and casting your vote is one way to do this.

We are looking forward to another short but amazing week at "the best school we all know"!

Here are a few items that you need to be aware of. Please mark your calendars for the following events and activities at McAvinnue for the next few weeks:

- **Monday, September 8th - McAvinnue Reopens @ 9:10 AM**
- **Tuesday, September 9th - No School - Local Primary Election Day**
- **Wednesday, September 10th - Thursday, September 11th - iReady Math Diagnostic Assessment (Grades 1 - 4)**
- **Tuesday, September 16th - Wednesday, September 17th - iReady Reading Diagnostic Assessment (Grades 1 - 4)**

If you have any questions, please don't hesitate to contact the Main Office at McAvinnue or send Mr. Domina a message at mdomina@lowell.k12.ma.us.

Middle school students (grades 5-8) must live greater than 1.5 miles from their residence or alternate address to their assigned school.

Kindergarten through 4th grade students will receive a printed bus pass via postal mail. These passes were mailed out on August 23rd. You can also look up your student's bus pass information by using their Student ID for the username and date of birth for the password at the link below. This is the same information that students use to log in to their Chromebooks for school.

Please note that Kindergarten and 1st grader students **must** have an older sibling (4th grade or older) or parent present at the bus stop in the afternoon in order to depart from the school bus. If a parent or older sibling is not present, the student will be brought to the Moody School, located at 158 Rogers Street. A driver's license or valid identification must be presented to the staff in order to dismiss the student.

You can use the LPSD "Bus Lookup Tool" using the link below. You will need to use you child's LASID or lunch number along with their birthdate to access this helpful system.

There also is a helpful video that you can watch that will walk you through the process.

[**Click Here For The LPSD "Bus Lookup Tool"**](#)

You will need to have your child's LASID or lunch number to access the most up to date bus information for your child. Please keep in mind that this number is also used to log into your child's borrowed device.

McAvinnue's Morning Announcements

McAvinnue's "Morning Announcements" are back once again for the 2024-2025 academic school year! We are excited to bring these back starting on Monday, September 9th!

Like we had successfully done during previous school years, a new edition of McAvinnue's "Virtual" Morning Announcements will be presented to our students on Monday, Wednesday, and Friday each week. We will continue to use Tuesday and Thursday each week to be used for "Open Circle"....our Social Emotional Learning (SEL) program that focuses on community building, prosocial decision making, and appropriate responses to daily stressors both within the school and home settings.

This will continue to be a great way to bring our school together each day focusing on the same message to get the energy, commitment, and engage up before we launch into another great day at "the best school we all know".

McAvinnue's Morning Announcements will occur on Monday, Wednesday, and Friday each week starting on Monday, September 15th!

You can check out current and past editions of McAvinnue's Morning Announcements on our YouTube channel using the link below.

Our Vision

McAvinnue Elementary School is a place...where there are high expectations, where students are academically engaged, where instruction is guided by a systematic approach to examine data, where there is a multi-tiered system of support, and where a responsive environment that fosters social emotional connections between faculty and students prevails.
