

Being a member of National Honor Society is a prestigious honor. This school club not only honors the achievements of our high school students in Gr. 11 and 12, but also serves our school and greater community in a number of ways.

Our annual Induction Ceremony, acknowledges these outstanding students. These members agree to uphold the four pillars of National Honor Society - SCHOLARSHIP, LEADERSHIP, SERVICE, AND CHARACTER - and be models for their peers. To be in consideration of membership, a student must have attained a 3.60 GPA at the end of his/her sophomore (or junior) year to be eligible, and have been enrolled in our high school for at least one year.
