

COUGAR CLUBHOUSE

The Pyne Arts PTO would like to introduce the **Cougar Clubhouse**.

The Cougar Clubhouse provides a fun activity for all students from grades kindergarten through 8 on every Early Release Wednesday that school is in session.

THE DETAILS

Each Cougar Clubhouse runs from 1:30 to 3:30 and each participating student must have the following:

- *The activity fee
- *A parent or guardian to pick them up at the school at 3:30

The PTO needs the following information for each student participating in each activity:

- *Information about allergy or health concerns
- *Up-to-date contact information for the parent or guardian who is picking up the student

VOLUNTEER!

Parents with active CORIs on file are welcome to help out during the Cougar Clubhouse. The activity fees will be waived for the participating children of parent/guardian volunteers.

Older students, especially those in 8th grade, are welcome to volunteer. You must be willing to help the younger students during the activity and help the other volunteers clean up after the activity. Eighth grade students who meet these requirements and volunteer a certain number of times throughout the year will receive money for the end-of-the-year eighth grade trip to New York City.
