

# Work Within Reach™

Whether you're looking for a flexible job or additional income, or you're interested in gaining experience and building new skills, PeopleReady has work opportunities available for you right now. Our associates include stay-at-home parents, service members, college students, and people of all ages and backgrounds.

## The Power of PeopleReady

**JOBS NEAR YOU.** With more than 600 branches throughout the United States, Canada and Puerto Rico, we have jobs available where you are, when you need them.

**FLEXIBLE JOBS THAT FIT YOUR SCHEDULE.** You choose which jobs you want to work and when. Whether you like variety or are looking for a specific position, you can find it here.

**STABILITY WHEN YOU NEED IT.** In a tough job market, temporary work can help you bridge employment gaps, develop new skills and establish relationships with potential employers – all while providing steady income.

**MORE RELEVANT JOBS EVERY DAY.** As you use our JobStack app to access and accept jobs, your experience will be customized to your preferences. So, the more you use the app, the easier it becomes to find the right match.

**A SAFE WORK ENVIRONMENT.** We'll make sure you're prepared to work safely on the job site. Not only will you complete safety training before you work, but PPE will also be provided for each assignment.

## Start Working with Us

- 1 | DOWNLOAD JOBSTACK FROM YOUR APP STORE**  
With JobStack, you can look for jobs right from your mobile device. You can also search at [jobs.peopleready.com](https://jobs.peopleready.com).
- 2 | APPLY WITH PEOPLEREADY**  
After you complete your application, we'll reach out to verify your information and explain the next steps.
- 3 | SEARCH AND ACCEPT JOBS**  
Once you're confirmed as a PeopleReady associate, you can accept jobs that fit your skills, schedule and work preferences – and get paid quickly!
- 4 | MANAGE YOUR WORK SCHEDULE**  
Confirm your hours, rate your work experiences and update your skills to see additional job opportunities – all through the app.
