

## Lowell Public Schools- Pyne Arts Elementary SUMMER MATH 2025

Dear Guardian and Student,

Just like reading, regular practice over the summer with math will help your child prepare for entering the next grade. Please use the math activity list to have fun talking and doing mathematics together! Remember to always ask your child, "How did you figure it out?"

To use the math activity list:

- This summer, try to complete the number of activities recommended for your grade level.
- When you complete an activity, write down which activity you completed in the log on the back of this sheet. ([electronic form](#))
- Bring the log back to your new teacher in September.
- When you see this symbol,  choose 1 or more activities from page 2.

Some helpful materials to have around:

- A folder for these papers
- Blank paper
- A pencil
- A deck of playing cards with the kings, queens, and jacks taken out
- A pair of dice
- Crayons
- Coins

Another way to support the retention of math concepts and skills is to practice with online games and lessons. The following are recommended math websites:

<https://www.abcya.com/>

<https://pbskids.org/>

<https://www.coolmathgames.com/>

<https://www.mathplayground.com/>

<https://www.hoodamath.com/>

<https://www.funbrain.com/>

<http://www.softschools.com/math/games/>

<http://www.coolmath4kids.com/>

<http://www.mathsisfun.com/>

Have a great summer vacation!

Audrey Crawford-Rivera  
Math Resource Teacher  
Pyne Arts Magnet School

Activity #	Date Completed	Description of Activity
Example	7/2/24	The Math Problem about drawing 2 dogs. OR choice activity, like Candy Land...

## Summer Math Activity Log

Activity log for student entering grade \_\_\_\_\_. Record the dates and descriptions of the math activities you complete. Bring this log back to your new teacher in August. Or you may record your activities on [this electronic form](#).

Student's Name: \_\_\_\_\_

Parent Signature: \_\_\_\_\_

## Get Ready for Grade 2

### Choice Activities

1. **Do iReady, ST Math, or any of your other favorite Math apps.:** Use your school device and/or school account to login to your Clever Account.

2. **Read a Cool Mathematics Book:**

<u>A Chair for My Mother</u> by Vera B. Williams <u>Benny's Pennies</u> by Pat Brisson <u>Brown Bear, Brown Bear, What do you See?</u> by Eric Carle <u>Chick Chicka 1-2-3</u> by Bill Martin <u>Emeka's Gift</u> by Ifeoma Onyefulu <u>Inch by Inch</u> by Leo Leonni <u>My Painted House, My Friendly Chicken, and Me</u> by Maya Angelou	<u>Out for the Count</u> by Kathryn Cox <u>Pattern Fish</u> by Trudy Harris <u>Rooster's Off to See the World</u> by Eric Carle <u>Ten Flashing Fireflies</u> by Hilemon Sturges <u>The Greedy Triangle</u> by Marilyn Burns <u>The Very Hungry Caterpillar</u> by Eric Carle <u>This is the Way We go to School</u> by Edith Baer
<p align="center"><b>Find Mathematics Books to Read Online at Epic!: <a href="https://www.getepic.com/">https://www.getepic.com/</a></b>          Parents can sign up for free!</p>	

3. **Use a cool mathematics website!**

<a href="http://www.gregtangmath.com/games">http://www.gregtangmath.com/games</a> <a href="http://www.abcya.com/preschool_games.htm">http://www.abcya.com/preschool_games.htm</a> <a href="http://www.aaamath.com">www.aaamath.com</a> <a href="http://www.coolmath4kids.com">www.coolmath4kids.com</a>	<a href="http://www.mathplayground.com">www.mathplayground.com</a> <a href="http://www.primarygames.com/curriculum/math.htm">www.primarygames.com/curriculum/math.htm</a> <a href="http://www.funbrain.com">www.funbrain.com</a> <a href="http://pbskids.org/games/measurement/">http://pbskids.org/games/measurement/</a>
--	---

4. **Do a counting activity or game:**

**Close to 20** – Deal 5 cards to each player. Place them face up in front of you. Which three cards add up to be closest to 20? Ex. You turn over the following cards 5, 4, 10, ACE, and 3, and your opponent turns over an ACE, 8, 7, 2, and 3. You can make 19 with the 5, 4, and 10 and your opponent can make 18 with the 8, 7, and 3. You win because 19 is closer to 20.

**Make Ten** - Like “Go Fish” but players ask for cards that add up to 10 instead of the same number. For example, someone with a 3 would ask if the other player has a 7.

**Play a board game or card game such as:** Checkers, Memory, Chutes and Ladders, jigsaw puzzles, Parcheesi, Fish, Crazy Eights, Candy Land, Connect Four, Legos, K'Nex, Yahtzee, Blokus, Quirkle, Monopoly, Trouble, Sorry, Set

## Get Ready for Grade 2: Math Activities

Complete at least 15 math activities this summer. Each time, choose an activity from the boxes below - or from the back. Cross off a box when you do it and record the activity on your math log.

Count from 87 to 120 and back.	Choose from the back! 	Use your shapes to make a Fourth of July picture.	Use quick tens and ones to draw 76.	Choose from the back! 
Do counting squats. Count from 45 to 60 and back the Say Ten Way.	Choose from the back! 	Choose from the back! 	Solve $36 + 20$ . Draw a picture to show your thinking.	Choose from the back! 
Write numbers from 37 to as high as you can in one minute, while whisper-counting the Say Ten Way.	Choose from the back! 	Choose from the back! 	Choose from the back! 	Use real coins or draw coins to show as many ways to make 25 cents as you can.
Choose from the back! 	Go on a shape scavenger hunt. Find as many rectangles, triangles, and circles as you can.	Choose from the back! 	Use quick tens and ones to draw 45 and 54. Circle the greater number.	Choose from the back! 
Write the numbers from 75 to 120.	Choose from the back! 	Choose from the back! 	Do jumping jacks as you count up by tens to 120 and back down to 0.	Choose from the back! 
Choose from the back! 	Choose from the back! 	Measure the route from your bathroom to your bed. Walk heel to toe, and count your steps.	Choose from the back! 	Make a story problem that goes with $17 + 5$ .
