

Dear Parents and Guardians,

We are very excited to welcome you to the 2023-2024 school year! We are looking forward to working together and getting to know your child. The transition to middle school in 5th grade will come with many new and exciting opportunities, experiences, and challenges. In order to make this new year a success, we encourage teamwork and communication from all of our 5th grade parents/guardians!

If you would like to share any thoughts or concerns with us about your child, please feel free to email us at:

We strongly encourage all students to read independently and continue practicing their math facts over the summer! Summer math and reading assignments will be due upon return from summer vacation.

We thank you in advance for your cooperation and support! Fifth grade is an important and challenging year for students. We look forward to working closely with you to provide your child with the best possible experience in the upcoming school year!

Sincerely,

Maura Panneton

Jeff Magnuson
