

WELCOME

Let us be the first to welcome you to the First Grade! We trust that you had a wonderful Kindergarten experience here at the Pyne Arts and are looking forward to some down time and reconnecting with family this summer. When the time comes, and we begin our new year together, we will spend some time getting to know each of your children individually and will do our best to meet all of their learning and social emotional needs throughout the year.

We encourage you to reach out to us at any time with questions, concerns or suggestions you may have. We will also keep you informed about classroom activities, events, and important updates through regular newsletters, emails, and parent-teacher conferences.

We are honored to be a part of your children's educational journey here at the Pyne and look forward to working together to create a memorable and rewarding

first grade experience. We are excited to witness your child's growth, celebrate their achievements, and support them every step of the way.

If you are able, below is a list of items that would be greatly appreciated as donations to our classroom.

We look forward to beginning a new chapter and creating new memories with students! For now, enjoy all that summer has to offer.
