

Abraham Lincoln Update Week of 4-6-2020

Required Work is starting on Tuesday April 7th

The State is requiring work starting on Tuesday, April 7th. We will have all assignments on line for the first two weeks at:

<https://www.lowell.k12.ma.us/homelearning>

Or these *packets may be picked up at the Grab and Go* Distribution Sites on *Wednesdays and Thursdays*. They are as follows:

<https://www.lowell.k12.ma.us/Page/3776>

We will start slowly and focus on the district learning packets for the next two weeks, as we do not want to overwhelm anyone. We will then assign more Project-Based Learning (PBL) work after we have returned from the scheduled vacation April 20th-24th. We are hoping that the children will have close to three (3) hours of work per day. The online assignments listed above are the same as the printed packets that can be picked up.

Here is a breakdown of the **REQUIRED work Each Day**:

1. Packet work or online packet: Reading, Math, Science, Social Studies (spread out for the week)
2. Read for 20 minutes each day, younger students can listen to books on Epic, but the goal is to be reading ORALLY.
3. Watch 1 Read Aloud on Lowell YouTube Channel at:
<https://www.youtube.com/channel/UCMIqoXopDU-6yfq5pJIPRtg>
4. Use STMath for 20 minutes
5. Use Lexia for 20 minutes each day
6. Use Clever for iReady (15 minutes)
7. Choice: Use one other Clever activity for: Google Classroom, Zearn, Typing.com or Typing Quest, Vocabulary.com, BrainPOP Jr., Scholastic, A-Z Reading, FOSSweb.

Three (3) times per week select from these:

<https://www.lowell.k12.ma.us/homelearning>

1. Home Learning Science Activity
2. 1 Home Learning Art Activity
3. 1 Virtual Field Trip
4. 1 Physical Education Activity
5. 1 Music Activity

Please **HOLD AND KEEP** all completed work until we develop a way to return it.
