

# HOW TO LOG IN TO/VIEW A SCHOOL GOOGLE SITE

## STEP 1:

Copy and paste the url into your browser.

If you are already signed into your account, you will see the Google Site and you are all set!

Yay! :-)

If you are not already signed in, move to **STEP 2:** below

If you need to sign in, you will see this screen on your computer

The screenshot shows the Google Sign in interface. At the top is the Google logo, followed by the text "Sign in" and "Use your Google Account". Below this is a text input field labeled "Email or phone". Underneath the field is a link for "Forgot email?". Further down, there is a note: "Not your computer? Use Guest mode to sign in privately." with a "Learn more" link. At the bottom left is a link for "Create account", and at the bottom right is a blue "Next" button. At the very bottom of the page, there are links for "English (United States)", "Help", "Privacy", and "Terms".

Type your school Google account into the box where it says "e-mail or phone" and then click "Next"

If you do not know your school Google account,

it is your LASID number @ student.lowell.k12.ma.us

Your LASID number is the same as the number you punch in for lunch at school. :-)

For example, if your LASID number is 123456, your school Google account is 123456@student.lowell.k12.ma.us

### STEP 3:

Next you will see this screen

**Login to Lowell Apps**

Username:

Password:

Organization: student.lowell.k12.ma.us

Log in

**Instructions:**  
Staff login with username and select lowell.k12.ma.us from the Organization dropdown.  
Students login with username and select student.lowell.k12.ma.us from the Organization dropdown.

Copyright © 2020 City of Lowell, MA | [Terms of Use](#)

Type your school Google Account **again** into the box next to “Username.”  
**REMEMBER** that is your LASID number (also your lunch number) @ student.lowell.k12.ma.us

Type your password into the box next to “Password.”

If you are unsure what your password is, it should be your birthday in number form,  
with two digits for the month, day, and year.

So for example, if your birthday is January 1, 2010, your password would be 010110

If it is October 31, 2015, your password would be 103115

And very importantly! Click that blue arrow and you will see two options:

“lowell.12.ma.us” and “student.lowell.k12.ma.us”

Make sure you select the “student” option just like it is in the image above.

Now click “Log in” :-)

### STEP 4:

If you followed the steps correctly, you should now be able to view whatever Google site you were trying to access!

**Congratulations! Have fun exploring all the fun activities and remember to always be safe when you are on the internet!**

If you are not on the Google Site, go back and try the steps again.

Make sure you entered all your information correctly!

**HAVE FUN!!! :-)**
