

What can Lowell High School Offer You?

How do you like to spend your time after school? Did you know that how you choose to spend this time could be one of the most important ways you shape your future?

Extracurricular activities are a critical component of your college application, and you need to impress colleges with your interests. But you might not know what good extracurricular activities look like or what you should be spending your time on.

We've got you covered here in our guide to Lowell High School clubs and activities. Read on to get some inspiration for how to spend your valuable free time during high school!

An extracurricular activity can be almost anything that isn't required for high school credit or paid employment. These activities will become very important later, such as when you are applying to colleges, because they help you develop your talents, interests, and passions.

"With so many options here at Lowell High School, all students should be able to find an extracurricular that they are interested in and can develop a passion for!"

- Head of School, Marianne Busted

See Mr. Thornton in the Student Activities Office located inside the cafeteria with any questions regarding current or proposed clubs. Contact him at 978-441-3735 or tthornton@lowell.k12.ma.us

Ethnic & Cultural Clubs

- Black Unity Club
- French Chapter
- French Chapter
- International Language Club
- Khmer Chapter
- Latin Chapter
- Portuguese Chapter
- South Asian Club
- Spanish Chapter

Precision Performance Clubs

- Elite AFJROTC Honor Guard
- AFJROTC Drill Team

Here are some examples of what our clubs have to offer!

Performance Activities

Band

The Band advisor oversees the bands participation in school and community events including football games and parades. Also, prepares the band for competitions and festivals.

Show Choir

Participation in Show Choir furthers instruction in the performance of singing & dancing at the competitive level & performance in school and community events. Members take part in many competitions throughout the year. Students also take part in annual productions of Broadway musicals.

Student Theatre Company

Exploring the fundamentals of communication and theatre, students are instructed in the actor's tools: voice, body, imagination, improvisation and ensemble. Students are also provided the opportunity to learn technical aspects of theatre including lights, set building, sound & stage management.

Dance Ensemble

Students will learn choreography for the winter and spring dance concerts as well as other performance opportunities that happen throughout the school year. Auditions are held at the beginning of the school year.

Scholastic/Competitive Clubs.**Math Club & League**

With an interest in mathematics, all students are invited to broaden their appreciation & knowledge of math through participation in math leagues & contests. After-school meetings include the opportunity to explore more interesting & challenging aspects of mathematics and to prepare students for math contests & meets where they will compete against other high schools.

Mock Trial

Mock Trial is a club for aspiring lawyers, debaters, actors/actresses and anyone who enjoys learning about the real world in a fun way.

Model United Nations

Model United Nations club is for anyone interested in the world and learning how to debate. We discuss human rights and world issues as you learn skills to participate in a simulation conferences for the United Nations.

National Honor Society

NHS is a student-run service club where members had to have attained a minimum GPA of 3.6 or higher by the end of their sophomore or junior year to fill out an application packet to join. Students must have also made efforts in meeting the three Lowell Public Schools pillars (Service, Leadership and Character) as well as academics. Getting involved in school and community groups will help students' gain membership to the NHS in the fall of their junior or senior year.

Science Club & League

Monthly meetings for planning, plus monthly competitions in October through March. The Massachusetts State competition is in March. We compete against area high schools in four events each month during the competition season. Events are in all science and engineering disciplines.

Tenacity Challenge

Students work on their leadership and competitiveness by competing in four categories: Math/Science, banner/artistic, English, and History. Competitions take place throughout the state and students develop skills that allow them to work together to achieve their goals.

Classroom Extension Clubs**Business Professionals of America**

This organization provides the opportunity for the development of leadership skills, personal & professional growth, and career related competencies. Enrollment in business-related courses is preferred but interest in business related fields are all you need to succeed in this club.

Special Interest Clubs

Anime

Students meet monthly to discuss and watch Anime. There are several Anime events that the students host each year and it allows them to be creative and expressive with Anime.

Best Buddies

The Best Buddies program builds one-to-one friendships between students with, and without, intellectual and developmental disabilities. The club meets monthly.

Chess Club

Meeting on Wednesday in the Cafeteria, members learn the skills & knowledge necessary to improve their chess playing ability. Students participate in after school matches that prepare them for tournaments against other high schools.

Environmental Club

Members of this club participate in many activities such as recycling, pollution prevention activities and Earth Day. This club builds many skills, such as leadership skills in leading a recycling team, having fun learning about the environment, working as a team solving environmental problems, you can earn community service hours, and you can improve your college resume.

Future Educators of America

Students explore teaching as a career option, gain a realistic understanding of the nature of education, the role of the teacher, and understand information about teaching as a profession.

League of Legends

Massachusetts is one of the first states to offer its schools early access to a state-sanctioned esports league sponsored by the Massachusetts School Administrators Association. At Lowell High School we play League of Legends. We play on Tuesday's after school, from approximately 3:00 - 5:00 PM in Room 648. There is a fall season which will begin at the end of October for 10 weeks, there is a tournament at the end to compete for a state title.

Outdoor Adventure Club

OAC holds bi-weekly meetings with one trip each month. Students will go into the country and wilderness, and be taught the techniques and teamwork it takes to undertake each activity. Whether it's hiking, camping, canoeing, or snowshoeing students will learn lifelong lessons that they will carry for the rest of their lives.

PALS

- Team building and friendships
- Leadership activities that will build your resume
- Various activities such as Self-Defense class, Zumba, Yoga
- Tutoring and support with homework.

Pep Club

School spirit is the focus of this club. Primary activities revolve around sporting events. Pep club members have an extensive involvement in Homecoming Activities for football. Having fun is the name of the game for this club.

Rainbow Connection/Gay-Straight Alliance

Open to all students interested in diversity, gay-straight issues, acceptance of individual differences, and the subjects of peace & non-violence. Students attend meetings, rallies, conferences, and workshops.

Student Book Club

Students meet on a monthly basis to discuss a selected book. Copies of each selection are available in the school library.

The Lowell High School Yearbook

The Spindle is the yearbook of the Senior Class. Any student is welcome to join and to help create our yearbook. If you are interested in photography, graphic design, and writing, consider joining the yearbook club.

You've just read a sampling of what Lowell High School has to offer you in addition to our outstanding academic program.
