

Lowell Public Schools Summer Reading Program

Lowell Students Read

To Families and Caregivers:

As partners in the education of our youth, I invite you to help your children extend their reading skills this summer.

Here's how you can help:

- Check that your child reads for 15-30 minutes every day or read with them.
- Visit the Pollard Library and make sure your child has a book he or she can read. If you don't already have a library card, you can sign up online for an e-library card or use their many resources!

Your child is expected to:

- Select and read titles from the attached list or **any books they want**. This list includes new titles and old favorites. They can also read online or listen to audiobooks.
- Return to school prepared to participate in a discussion about a book that they read.

Reading is fun! **Play BINGO!** Each child that returns their BINGO board will be honored with a certificate at their school.

Log the books your child reads either on paper **OR** online. [Click here](#) to enter each book. This will create a list at their school of all the books your child read. Be sure to keep your log only on paper **OR** only online, not both!

We look forward to hearing about how much you read this summer!

Thank you,

Lowell Public Schools Summer Writing

Want to keep growing as a writer? Over the summer, revisit writing that you already tried during the school year, try out a new kind of writing, or push yourself and try writing something in the next grade level. You can write anything you want!

[Click here](#) to access the Summer Writing Choice Board with video tutorials for each choice.

The Summer Writing Choice Board is a colorful graphic with an orange background. At the center is a purple rectangle labeled "SUMMER WRITING CHOICE BOARD". Surrounding it are several colored boxes for different grade levels and genres, each containing specific writing prompts. A green starburst on the left says "Letter Writing", and a pink starburst on the right says "Poetry". At the bottom, a blue banner says "REVISE" and a red banner says "EDIT".
