

The Chilly Challenge 2021

January 25—March 6, 2021

Children in Grade 4 and younger are invited to participate in our online winter challenge.

Through a combination of reading, submitting reviews of books you read, and completing activities, earn digital badges. Kids that earn 8 badges by March 6 will be entered into our special raffle for a prize bag.

Pre-Readers can participate too because their big people can read to them and help them with the activities.

This program is completely online and you don't need a library card to participate.

[Sign up online](http://Lowelllibrary.beanstack.org/reader365) at Lowelllibrary.beanstack.org/reader365.

You can also call the Children's Desk to sign up or for questions at 978-674-1529.
