This meeting was held virtually, with an in person option. Paula Jones started with an update of the QIP and where we are as a school leadership team. She shared some upcoming events with the SSC.

Paula Jones then opened up the discussion for the latest environmental testing and results. All in the meeting are openly concerned for the health and safety of both students and staff. Danielle McLaughlin asked that the testing results be shared with families and Paula agreed to do so. Danielle also expressed that she has a group that she would like to join us at SSC to speak about mold specifically.

The meeting was adjourned at 6:30 with an invite to join the PTO meeting in the art room.
