**Budget Review:**

- No longer need to cut a large amount of money
- Additional funds will be added for SW
- PD will be updated next year due to instructional rounds feedback
- Changes in funding formula in special needs

**QIP**

- Reflection of current practices
- Problem of practice (discussed during instructional rounds)

**Instructional Rounds:**

- Suggested focusing on a few key elements for improvement
  - Dialogic reading
  - Introduction to centers
  - Curriculum used with more fidelity
- Encourage coaches to visit the preschool classrooms more frequently
- Great to get feedback from different lenses
- All curriculum vetted by the Washington model
  - Looking to vet supportive curriculum with the Washington as well to make sure all curriculum is aligned

**Culture Survey**

- Looked over and discussed findings
- Suggestion for smart goals for teachers to be more satisfied
- Possibility of “suggestion box” created with survey monkey
