

## What is Educational Talent Search?

Educational Talent Search is a student support program funded by the US Department of Education designed to promote school completion and higher education among low-income, first generation families and other college bound students. Each fiscal year the program serves 714 students in grades 6-12 attending Lowell High School, Stoklosa, and Butler Middle Schools.

## Who's Eligible to apply?

- Students must be US Citizens or Permanent Residents with valid I.D. Card from US Immigration Department
- Must be attending Lowell High School, Butler, or Stoklosa Middle Schools
- Must be a college bound student in good academic standing
