Talking about Books

Use these cards to help your student solve words and read books. These are tools your child's teacher has been using all year. Remember grade 1 students are still learning, if they can do all of these things, they can read bigger books. If they can't yet read, practice saying their letters, the sounds letters make, and the high frequency words on the word lists.

Check the picture.

Look at ALL the parts of the word.

Get a running start.

Check it!
Do a double-check!

Try it 2 ways.

Do a
s-l-o-w check!

Say the word the best you can. 

Think about what's happening.

Think about what it means. 

Think what kind of word would fit.

Use a word you know.

Writing Activities

- Write a story. Don't forget to add details. Show some of your feelings.
- Make an All About Book. You can write many chapters about your favorite topics.
- Write a poem or song about your family or things in your house.
- Write a review. What is your favorite restaurant, book, movie, website? Why? Convince the reader to try it...or not!

Word Work

- Practice the high frequency word lists. Start with list B, then C, then D. If you need more lists, go to Kindergarten or Grade 2.
