McAvinnue's Community Newsletter: Week Of May 20th

Hello McAvinnue Community!

What a great weather week we had this past week. It featured a perfect balance of some warmer days paired with some mild days. With that being said, we still live in New England and things can change for the better or worse from day to day. It is important to watch or listen to the weather forecast each day and make the best decision to wear clothing that your child will be comfortable in. I reviewed the importance of dressing in layers with our students during McAvinnue's Morning Announcements this past week. Layers allow our students to take items off or put items on to match the weather conditions during recess. Also, our building can get somewhat warm and stuffy as our A/C continues to be down. Thank you for your attention to this each day!

We capped off another successful week at McAvinnue this past week! Our teachers continue to plan and deliver amazing lessons that engage our students during this tough time of the school year. Check out the pictures in McAvinnue's "Week In Review" if you missed out on some of the posts. Please keep in mind that we will continue this daily for the remaining 21 school days until the Summer Break. Be on the lookout for various reminders about some important events that will occur as we celebrate the end of this challenging school year!

We have also reached an important part of the school year where various reading and math assessments have and will be administered to our students. This information will be used to

measure their overall progress for this school year as well as how we will plan to support them for the up and coming new school year. You will be able to see the results on the final report card that will be distributed on the last day of school on June 18th.

We had a blast at McAvinnue's "Walk-A-Thon" Fundrasier on Friday! Our students did amazing and it was so much fun getting some exercise while enjoying some music and light show entertainment. Check out the picture below as well as the most recent update with how many miles each grade level walked! We will make the BIG announcement for the fundraising winners and the total amount that was raised during the Monday edition of McAvinnue's Morning Announcements! Stay tuned for all of the details!

Finally, there will be no school on Monday, May 27th due to the observance of Memorial Day. Please take a moment to recognize, remember, and honor those who lost their lives while defending our country.

Here are a few items that you need to be aware of. Please mark your calendars for the following events and activities at McAvinnue for this upcoming week:

- Monday, May 20th - McAvinnue Reopens @ 9:10 AM

McAvinnue's "Morning Announcements"

McAvinnue's "Morning Announcements" are back for the 2023-2024 academic school year!

Like we had successfully done last school year, a new edition of McAvinnue's "Virtual" Morning Announcements will be presented to our students on Monday, Wednesday, and Friday each week. We will continue to use Tuesday and Thursday each week to be used for "Open Circle"....our Social Emotional Learning (SEL) program that focuses on community building, prosocial decision making, and appropriate responses to daily stressors both within the school and home settings.

This will continue to be a great way to bring our school together each day focusing on the same message to get the energy, commitment, and engage up before we launch into another great day at "the best school we all know".

McAvinnue's Morning Announcements will occur on Monday and Friday each week. There will be a Wednesday edition for the remainder of the school year!

You can check out current and past editions of McAvinnue's Morning Announcements on our YouTube channel using the link below.

You can check out the latest edition of McAvinnue's Morning Announcements below!

McAvinnue's Yoga Pose Of The Week: "Eagle" Continued...

We continue the pose that we practiced last week called the "Eagle". This pose will continue to allow us to work on maintaining a calm and clear focus using a technique that maximize balance integration and unique upper body positioning. We will practice the "Eagle" pose daily during our Morning Announcements during this up and coming week.

You can get an early head start and practice this technique before we launch into another exciting week!

McAvinnue's School Attendance Information

As you are aware, attending school is first step each in the learning process for our students. It is critical that our students arrive to school on time each day so that they can access all of the engaging and meaning lessons that have been planned by our teachers and related service providers.

The McAvinnue Attendance Team will monitor student attendance on a weekly basis and will reach out directly to families when they notice frequent absences, a pattern of absences, or an increased number of consecutive absences within a short period of time.

Please refer to McAvinnue's Student Attendance Booklet below that will provide additional information. This booklet will be sent home with students in multiple languages. It is important that you review this information for your own awareness and to be fully prepared to support your child with the first step of the learning process...attending school on time.

Breakfast and Lunch Will Be Free for All LPS Students
