The weather this week will start out in the 70's and the week will end in the 50's. It is important to tune in to the local news for the most up to date forecast. Things can change quickly and you need to ensure that your child is prepared to adjust with the weather forecast.

We have completed Math MCAS testing for our Grade 3 students this past week. We completed a few make-up testing sessions on Friday. Overall, our Grade 3 students did extremely well for thier first of many MCAS testing sessions. We can't wait to see how they did when we receive the results over the summer months!

Up next...Grade 4 will begin their Math MCAS on Wednesday, May 8th. We are eager to complete this required round of state testing and move on to more relevant items that is far more meaningful for our students!

We have some great student events coming up. There are some field trips on the horizon for some grade levels...and multiple exciting events like McAvinnue's "International Night", McAvinnue's

"Paw"tastic Field Day, and Grade 4 "Move Up" Graduation. Stay tuned for more information in this weekly newsletter as well updated notices from your child's teacher.

Finally, we have a few school celebrations this week...School Nurse Appreciation Day on Monday, May 6th and Teacher Appreciation Day on Tuesday, May 7th. Check out some of the details below!

As always, we are looking forward to another productive, engaging, and fun week at the "best school that we all know"!

School Nurse Appreciation Day: Monday, May 6th

We will recognize Nurse Danielle on Monday, May 6th as part of School Nurse Appreciation Day (actually Nurse Appreciation Day).

If you stop by the school and see her in and around the Main Office, please thank her for all of her efforts to keep everyone healthy in the McAvinnue Community every day.

While she is new to the McAvinnue Community this school year, Nurse Danielle has done a commendable job making sure that all of our health related needs are met and that our school is safe and supported from a medical standpoint.

Teacher Appreciation Day: Tuesday, May 7th

We will celebrate our AMAZING teachers and faculty on Tuesday, May 7th as part of "National Teacher Appreciation Day"! We have some special things planned on this day to show our appreciation of what they do at McAvinnue everyday.

Please give them a shoutout on this day...and consider doing something special for them!

As you are aware, teachers play a critical role in educating and shaping our children into the future leaders of our country. These kind, patient, hard-working, dedicated, and understanding professionals help mold our children and guide them in positive directions. We entrust our children with teachers during the school year and they play a pivotal role in their lives daily.

No matter where we are in life, a teacher influenced us. They continue to impact our lives every day, too! When we meet new employees with a wealth of skills and abilities, know a teacher helped shaped them. Every new business owner, doctor, engineer, or nurse can name a teacher who inspired them. Every one of us has at least one teacher in mind who encouraged and motivated us during our education!

McAvinnue's "Walk-A-Thon" Fundrasier

We have a really fun and easy fundraiser planned at McAvinnue that will occur in a few weeks! On Friday, May 10th, we will host McAvinnue's "Walk-A-Thon" Fundraiser!

This fundraiser is really simple...all students need to do is raise and turn in as much money as possible starting on Monday, April 29th - Friday, May 10th. Students can bring in money throughout the week in an envelope with their name and homeroom number on it...and drop it off in the Main Office. We will record and track the amount of money that each student is able to raise. Students are encouraged to ask those family members and friends to "sponsor" them for this great and fun fundraising event! Please keep in mind that the money that is raised for each student is not connected to the number of laps that they walk during the Walk-A-Thon.

This event will occur during the school day for all grade levels at their assigned Specials time. Grade levels will walk in the gymnasium during their 50-minute scheduled Special. We will have cool lights, music, and many of our faculty will be joining in on the action! Students will walk as many laps as possible to show their appreciation for the money that they raised, which will be donated to McAvinnue!

We have some prizes for those that raise the most money for McAvinnue's "Walk-A-Thon" fundraiser! Check out the list below to see prizes that can be earned for the top fundraisers.

including a "mystery" metric winner:

- **"Principal For The Day":** The top 2 fundraisers will earn a chance to be "Principal for the Day"! They will work with Mr. Domina and Mr. Alcaraz for an entire school day and help them with all of the things that they need to do. This prize includes a special lunch with Mr. Domina and Mr. Alcaraz. Also, each student will receive a special Principal's ID badge. Students can dress up like a Principal as they will have some important work they will need to do on this day!
- **"Top Homeroom Fundraiser":** *The homeroom that raises the most money over the next 2 weeks will have a chance to earn a very special classroom lunch and dessert! The winning homeroom will have a chance to decide what they have for lunch and dessert!*
- **"Top Grade Level Fundraiser":** *The grade level that raises the most money over the next 2 weeks will earn a very special "Frozen Treat Recess"! Each grade level winning homeroom will head over to Father Maguire park for a special "extra" recess that will feature a delicious frozen treat!*
- **"Mystery Winner":** *We will have a "mystery" winner that will be chosen based upon a "mystery metric"! This could be the most money turned in during a day, most laps walked during the Walk-A-Thon, or some other action that demonstrates a high level of effort and commitment for this fundraiser. This student will earn a \$150 Target giftcard!*

You can start raising and turning in money starting on Monday, April 29th! Remember that we will be collecting money until Friday, May 10th! Just make sure that the money is placed in an envelope with the students' name and homeroom number on it. All money needs to be turned in to Ms. Anna and Ms. Natalia in the Main Office.

Money that is raised during this event will go right back to our students for various school supplies and materials, field trips, special shows, and more!

If you have any questions, please reach out to the school or Mr. Domina directly!

UPDATED: MCAS Testing Dates: Grades 3 - 4

Here is the remaining MCAS testing dates for Grades 3 and 4. We only have Math to complete before we wrap up our MCAS testing for this school year. Our students did an amazing job competing the ELA (English Language Arts) MCAS over the past few weeks. They worked extremely hard and we are eager to see how they did!

Please see the remaining dates below for both Grade 3 and Grade 4.

This event will be a "potluck" style food sharing opportunity. We would like everyone that attends this event to bring their favorite dish that best represents your family's heritage to share with others!

If you are interested in bringing an international food dish, you can reach out to your child's teacher or the school directly! Check out the flyer below in multiple languages!

"Grasshead Fun In STEAM Studio"

The "Grassheads" are back at McAvinnue! Student are learning about germination during STEAM Studio...they are learning that seeds remain dormant until conditions are favorable. All seeds need water, oxygen and optimal temperature to germinate. What a super cool learning activity! We will share updates with how the germination process is.

From Last Week..."McAvinnue's "Artist of the Week"

From last week...McAvinnue's "Artist of the Week" was Jaylon in Room 304! Jaylon used radial symmetry to create his paper sculpture. He mastered three different folding techniques to create this masterpiece! Amazing focus and skills!

McAvinnue's "Morning Announcements"

McAvinnue's "Morning Announcements" are back for the 2023-2024 academic school year!

Like we had successfully done last school year, a new edition of McAvinnue's "Virtual" Morning Announcements will be presented to our students on Monday, Wednesday, and Friday each week. We will continue to use Tuesday and Thursday each week to be used for "Open Circle"....our Social Emotional Learning (SEL) program that focuses on community building, prosocial decision making, and appropriate responses to daily stressors both within the school and home settings.

This will continue to be a great way to bring our school together each day focusing on the same message to get the energy, commitment, and engage up before we launch into another great day at "the best school we all know".

McAvinnue's Morning Announcements will occur on Monday and Friday each week. On occasion, there will be a Wednesday edition.

You can check out current and past editions of McAvinnue's Morning Announcements on our YouTube channel using the link below.

https://www.youtube.com/channel/UC7hxiBuRjgjqfASI_RLMleQ

You can check out the latest edition of McAvinnue's Morning Announcements below!

McAvinnue's Yoga Pose Of The Week: "Flying Bird Breath"

We are bringing back a pose this week from the beginning of the school year called the "Flying Bird Breath".

This pose will allow us to work on remaining calm while increasing our focus by maintaining grace through our own person "center".

We will practice the "Flying Bird Breath" pose daily during our "Virtual" Morning Announcements during this up and coming week on Monday, Wednesday, and Friday.

You can get an early head start and practice this technique before we launch into another exciting week!

The McAvinnue Attendnace Team will monitor student attendance on a weekly basis and will reach our directly to families when they notice frequent absences, a pattern of absences, or an increased number of consecutive absences within a short period of time.

Please refer to McAvinnue's Student Attendance Booket below that will provide additional information. This booket will be sent home with students in multiple languages. It is important that you review this information for your own awareness and to be fully prepared to support your child with the first step of the learning process...attending school on time.
