BOSTON (CBS) — Pool testing found a 0.76% positivity rate to date in Massachusetts schools, according to the Baker Administration. Nearly 159,000 individuals in 22,679 pools have been tested. The average pool test is seven people.

“Of the collected pooled tests, Massachusetts is not aware of any in which there was more than one positive individual, suggesting that there is extremely little evidence of in-school transmission of COVID-19 in Massachusetts,” said a statement from the governor’s office.” **“State funding for the testing program has been extended to the end of the school year.”**

Lowell Schools’ Pool Positivity Rate for week of April 26:

2362 tested with 7 positives shows .003% positivity rate

Consent Forms

How can my student participate in the program?

To participate in the testing program, you need to **sign a consent form** for your child. You only need to sign up once for the weekly testing. If you decide NOT TO PARTICIPATE, you do not need to fill out the consent form.

This form gives us permission to share student information with the technology platform we use to track testing. Student information will only be shared with the Department of Public Health and other departments if a student tests positive in an individual test.

Here are links for the online consent form:

Process when receive positive pool result

- Parents and Staff will be notified by phone and/or email regarding a positive pool result that they participated in.
- All members of the positive pool will be tested as early as possible once the results have been reported. Most likely the next school day.
- Our nurses will use the BinaxNow rapid test kits to identify the positive individual. In the unusual situation where no individual tests positive, all the individuals in the pool will be quarantined until that person is identified via a PCR test.
- Once the positive is identified, that individual will follow the isolation guidelines as set forth by DESE and then sent home. Any close contacts will be identified and notified as well.
