

Welcome to 3rd Grade!

Summer is right around the corner, and we know you are ready for some fun in the sun! But, before you leave school, Mrs. Rautenberg and Mrs. Pease want to send you off with some important information you will need for the fall.

Don't Forget...

Summer math and reading will be due when you return to school next fall. Make sure to be ready for 3rd grade by completing all of your summer assignments!

Recommended School Supplies:

List of Supplies for Grade 3:

- Pencils
- Erasers
- Glue Sticks
