Third grade was a busy year learning new skills! Mastery of all these skills is extremely important in order to develop a foundation. The fourth grade math and reading program will add onto these skills, so any time spent learning or reinforcing these concepts will be very helpful.

It is important to review
Multiplication/Division Facts
adding and subtracting with regrouping!

Please continue to practice your reading throughout the summer!

Summer math and reading will be due when you return to school for 4th grade. We can't wait to see you then!
