## STUDENT INFORMATION AND ACTIVITIES

### MATH CAN BE FUN!

Learning math can be fun! Teacher Mary Gail showed Meg's ESOL students that math is used everywhere and what they are learning in class can be applied to their everyday life. They worked together to make a healthy trail mix using measurements and adding fractions to complete the recipe that fed the entire class.

On March 14th, our HSE students celebrated Pi ( $\pi$ ) Day. Pi Day is celebrated on March 14 because the numbers in the date (3/14) match the first three digits of the mathematical constant pi ( $\pi$ ). In honor of Pi Day, students measured different sized circles using cookies, then recorded and compared their data. They learned that no matter what size a circle is, if you divide the circumference by the diameter, you get 3.141519265359...better known as Pi!

$$\frac{\text{Circumference}}{\text{Diameter}} = \pi = 3.14159\dots$$

## COMMUNITY PARTNERSHIPS

Congratulations to Cleide Oliveira from Meg's ESOL class, for successfully completing her CNA training. She participated in a new program that was created in collaboration among Abisi Adult Education Center, the International Institute of New England, Middlesex Community College, and D'Youville Life & Wellness Community and funded by the Department of Elementary and Secondary Education.

This CNA program began last November. It offered a free workforce development course to English Language Learners who were interested in pursuing a career in the healthcare field as a Certified Nursing Assistant (CNA). All of the classes were held at D'Youville Life and Wellness Community. Students learned skills development, workforce-readiness preparedness, English for Employment in Healthcare, participated in a 100-hour clinical training, and prepared for the CNA licensing exam. Those that successfully pass the exam are guaranteed job placement at D'Youville Life & Wellness Community.

On Tuesday, March 14, 2019, Cleide and six other immigrant women were the first class to graduate from this program. The ceremony was held in D'Youville's stained glass chapel and attended by many community leaders.

Enrollment is now open for a new group of students interested in starting CNA classes in June. Students must have U.S. Work Authorization in order to apply **and** must pass a basic English Language screening to enroll. For more information see Adriana, our Student Services Coordinator at AAEC, or go online at:
