# COMMUNITY INFORMATION

## CIVICS AND CITIZENSHIP FIELD TRIP

On Wednesday, February 27, fifteen students in the Civics and Citizenship class went on a field trip to the USCIS Field Office in Lawrence, MA to learn about the process of applying for citizenship.

John McCarthy, Community Relations Officer for the USCIS Boston District, and Ana Campas, Immigration Service Officer at the USCIS Lawrence Office, presented valuable information about the citizenship process to our students. They toured the facility and became familiar with where to go for their scheduled appointments. They visited the biometric room where the fingerprinting and photos take place, the waiting area where applicants wait to be called, and an interviewing office where the interviews with an immigration service officer are conducted.

During the tour, Officers Campos and McCarthy explained every relevant aspect related to the different processes, and how and why people use the office's services. This experience was meant to ease the anxiety and stress that accompany any immigration process. Many students found the information useful, especially those that are currently in the process of applying for citizenship.

The USCIS Field Office is located at 2 Mill St, Lawrence, MA. This office is open from 7:00am-4:30pm, Monday through Friday. In order to visit this office or to speak with an immigration services officer, you must have: an appointment scheduled by USCIS, make an *InfoPass* appointment at [www.my.uscis.gov/en/appointment](http://www.my.uscis.gov/en/appointment), or use the kiosks available in the lobby at the USCIS Lawrence office.

### USCIS REMINDER: AVOID IMMIGRATION SCAMS

Many people offer help with immigration services. Unfortunately, not all are authorized to do so. While many of these unauthorized practitioners mean well, many of them are out to cheat you. This is against the law. To learn more about avoiding scams and how to protect yourself, visit their website at [www.uscis.gov/avoid-scam](http://www.uscis.gov/avoid-scam).

## DAYLIGHT SAVINGS

Daylight Savings Time Begins

The #1 place teens report getting drugs for the first time is in the family medicine cabinet. Get them out of your home if they are not currently being used for a medical condition!

Do not flush your unused medications down the toilet, rinse them down the sink, or throw them in the trash. Dispose of them properly.
