INTRODUCTION

Hello! I am Julie Cooper, I will be one of the ELA Special Education teachers for 5th and 6th grade this year! This is my 8th year teaching here at the Butler and I am excited we get to start this year back together in-person! Some things I love about our school is our school spirit and many of the after-school programs/activities offered! ELA is going to be very exciting this year and I am looking forward to working with you all! Please feel free to reach out with any questions or concerns you may have! I can't wait to see where this year will take us!
