Questions to ask stakeholders

Is there anything in our QIP that we would want to adjust?

Is it reflective of our data?

Parent questions

When considering students and students achievement results across your school, what works?
Why?

Small group achievement and flexibility within those groups.

Family communication.

Videos with support.

Communication

Communication has been really key for parents to know what is going on in their kiddos classrooms.

Parents feel classroom DOJO is important

Relationship building is important

What could we improve?

As you think about student achievement across the school, what long term planning or ideas do you have for supporting higher student achievement in your school why?

We're doing the data piece and informing instruction

Continue on with interventions and small group instruction
