Review Bailey School Improvement Plan draft

Review school-based budget funding

Review of budget last year

This year:

Required minimum for ELL staff is 3 full-time next year.

Right now we have 1

Math grant 3500

Professional development 6500

We are in a 16,307 deficit with new ELL positions. This will require a cut of current staff in some capacity.

Review school-based budget funding

Meeting adjourned so that Lisa, Kim, and Bridget could make it to Stoklosa Middle School for All SSC budget funding meeting
