

AFTER SCHOOL TUTORING (VIRTUAL)

Any student in need of tutoring can email the teacher by clicking on their name to schedule a tutoring session. You must notify the teacher by 2:40 on the day of tutoring and they will send you their link for the tutoring session along with the time to log on. Tutoring runs from 3pm to 5pm depending on how many students sign-up. The tutoring may be individual or small group. Please take advantage of this opportunity for additional help with your studies.
