Coordinated Family & Community Engagement

Lowell Public Schools Early Childhood Department

Receive information on upcoming community events, newsletters, resources for you, your child's development and more.

Here is what we offer:

ParentChild+

Ages: 18 months - 4

Provides early literacy parenting and school readiness to parents and children in their homes. Two weekly 30 minute visits.

Each week the home visitor provides the family with a high quality book or educational toy that is a gift to the family.

Playgroups

Ages: Birth - 5

Playgroups for young children and their parents take place throughout the year, fall winter, spring and summer.

Playgroups meet on a weekly basis for approximately 10 weeks each season.

Community Events

Ages: Birth - 8

Educational community events for children and their parents that meet periodically throughout the year. Resources and materials are provided to support literacy and learning. Registration required for these events.

Positive Solutions for Families

Six week parenting series that provides families with guidance on how to promote young children's social and emotional learning. Parents will develop skills that will help them understand their child's behavior and fill their tool both with a range of positive approaches
