

# Positive Solutions for Families

A six-week series for parents/caregivers of young children.

This free, interactive parenting series will provide information for families (with children 1-8 years old) on how to promote social and emotional skills in young children, how to develop positive solutions to parenting situations, and how to increase understanding of children's challenging behaviors. Families must have custody of their children to participate.

**Dates: Thursday evenings for 6 weeks**

October 10  
October 24  
November 14
