COOKING

Students will be exposed to new recipes from a variety of cultures. They will be using fresh and local ingredients to create multiple meals and dishes of their choice.

Students will manage a weekly budget to buy ingredients from local markets and grocery stores and learn the basics of kitchen safety.

SPORTS

Stoklosa Sports will offer a variety of sports and activities with a focus on Volleyball, Basketball and Badminton. Students will learn the fundamental skills for each sport and continue to develop social skills. They will learn sportsmanship and character building.

CROCHET

Unlock your creativity and join Crochet class! Whether you're a beginner or already have some experience, this is the perfect opportunity to learn the art of crochet. In this class, you will learn how to create accessories, cozy scarfs, amigurumi and more! Join with your friends or come to meet new friends!

ARTS & CRAFTS

Students will create works of art using different medias and techniques such as tie dye, water colors, glass painting, fluffy slime, and more. They will develop fine motor skills and enhance decision making skills.

CREATIVE WRITING

Come learn how to create your own story! Design your characters, their arc, and the adventures they will experience. All kids will take their story home at the end of the week.

VIDEO GAMING

Are you interested in gaming? Can you hang with your peers in Super Smash Bros? Are you the Fastest Mario Kart player? Come check out the competitive gaming class during April Break.

BOARD GAMES/ LEGOS

Games allow students to use critical thinking skills, socialize, compromise, share, and learn to win and lose the right way.

ENGLISH & MATH ENRICHMENT

Students in danger of failing Math or English will receive extra help and intervention support from our amazing Stoklosa teachers!

PAINTING

Students will explore a creative world using acrylic paints, canvas, and their imaginations!
