Patrick Swett
Assistant Principal

Good Morning Stoklosa Community:

This is James Cardaci, Principal of the school. I am calling/emailing today to inform all of the important dates for the upcoming week. This will be the last week of remote learning in the Lowell Public Schools. The last day of school is officially **Monday, June 15th**.

This week, at the Stoklosa, we will be collecting laptops and giving back student belongings that were left in the lockers and desks prior to March 13th. The following dates and times will be allotted by grade level for your child:

Thursday, June 11th 9:00-1:00	Friday, June 12th 9:00-1:00
Grade 5 9:00-11:00	Grade 7 9:00-11:00
Grade 6 11:00-1:00	Grade 8 11:00-1:00

Anyone on the student emergency contact form, including the student, will be able to drop off the laptop and pick up student belongings at the designated tables.

All 8th grade students will be receiving promotion certificates and a gift from the staff on Friday, June 12th from 11:00 -1:00.

We are still maintaining social distancing guidelines at this time and will have precautionary measures set up at the school for distribution of belongings and laptop collection.

I want to thank all the parents/guardians for their help during this difficult time of remote learning.

Hope to see you all soon.

Sincerely,

James Cardaci
Principal
