CLASSES OFFERED

[**CLICK HERE TO REGISTER**](#)

Arts & Crafts AND Board Games

Students will create works of art using different medias and techniques such as tie dye, water colors, glass painting, fluffy slime, and much more. They will develop fine motor skills and this class will encourage self expression while allowing students to socialize and enhance decision making skills.

COOKING

Students will be exposed to new recipes from a variety of cultures. They will be using fresh and local ingredients to create multiple meals and dishes of their choice. Students will be responsible to manage a weekly budget to buy ingredients from local markets and grocery stores and learn the basics of kitchen safety.

Girl Squad

Looking for some fun with your crew after school? Join Girl Squad with Mrs. Boyd and Ms. JB on Tuesdays and Thursdays after school. Each week we will do different fun activities and work as a team to support one another. Activities include: cheerleading stunts and tumbling, making slime, making your own Tee-shirt, cricut projects, movie day, cookie decorating, jewelery making, nail-painting and more.

Volleyball Club

Ready to hit the court and have some fun? Join the Volleyball Club and learn the fundamentals of one of the most exciting team sports around! Whether you're a beginner or have some experience, this after-school club is the perfect place to develop your volleyball skills, make new friends, and play in a supportive, positive environment.

Crochet

Do you love creating cool things with your hands? Join crochet, where will you learn how to make your own colorful scarves, hats, or even cute little animals-all with just a hook and some yarn. Whether you're a beginner or tried crochet before, this relaxing class will help you learn new skills, make friends, and create amazing projects. Come join the fun!

Community Service Club

Join our Community Service Club, where students come together to make a positive impact in our school and local community! Members will volunteer to keep our school grounds clean, organize fundraising events for local charities, create heartfelt cards for senior centers and veterans, and collect cans for food banks. Together, we can make a difference!

Writing Club

Are you passionate about writing? Do you love to create stories, poems, or maybe even explore new ideas through words? Join the Stoklosa Middle School Writing Club and let your imagination soar! Whether you're a seasoned writer or just starting out, this after-school club is the perfect place to develop your writing skills, share your work, and get inspired by your fellow students.

Legos and Robotics

Are you fascinated by how things work? Do you love building with LEGO and exploring the world of robotics? Join the Middle School LEGO & Robotics Club and let your creativity and problem-solving skills shine! Whether you're a beginner or a future engineer, this after-school club is the perfect place to design, build, and program your very own robots.

Tabletop Gaming

Tabletop Gaming will bring people together to learn how to play tabletop games such as Dungeons and Dragons, War Hammer 4000, and The Pokeman Tabletop card game. It will also include learning to create and paint tabletop minitures.

Comic Book and Manga Club

In Comic Book and Manga Club we will read different comic books and students will get a chance to create their own original works. We will cover different styles, from super hero stories to comic strips, and Manga. Join and become a comic book, Manga creator! No previous background needed.
